## Stodderts War

**Liying Dong**

## **Stoddert's War:**

Stoddert's War Michael A. Palmer,2000 An award winning study of the Franco American undeclared naval war at the turn of the nineteenth century this history of the nearly forgotten struggle is filled with the dramatic actions of such frigates as the Constellation and her capture of l Insurgente as well as the sundry operations that protected American commerce from the depredations of the French corsairs in the Caribbean First published in 1987 the book avoids the parochialism of earlier studies by placing the American war within a European context It takes a critical look at the command and operations of the first secretary of the Navy Benjamin Stoddert and how under his direction the Navy proved itself ship for ship as if not more effective against French privateers than the Royal Navy The book also examines how the Navy served the nation s commercial and diplomatic interests a pattern of activity that would become known as gunboat diplomacy and how the Navy s successes assured it a permanency that had eluded the Continental Navy Awarded prizes from the American Revolution Round Table of New York and other organizations the respected work answers penetrating questions about what happened and why and the author s judicious evaluations of participants and their policies make an important contribution to the literature This new Classics edition is introduced by the author chair of the maritime history department at East Carolina University and author of three other books including Origins of Maritime Strategy

### **Index, The Papers of the**

**Continental Congress, 1774-1789: Quack - Zwolle** ,1978    *Millions for Defense* Frederick Leiner,2014-07-15 The title of this book comes from a toast popular with Americans in the late 1790s millions for defense not a cent for tribute Americans were incensed by demands for bribes from French diplomats and by France s galling seizures of U S merchant ships and as they teetered toward open war were disturbed by their country s lack of warships Provoked to action private U S citizens decided to help build a navy Merchants from Newburyport Massachusetts took the lead by opening a subscription to fund a 20 gun warship to be built in ninety days and they persuaded Congress to pass a statute that gave them government stock bearing 6 percent interest in exchange for their money Their example set off a chain reaction down the coast More than a thousand subscribers in the port towns pledged money and began to build nine warships with little government oversight Among the subscription ships were the Philadelphia later lost on the rocks at Tripoli Essex the first American warship to round the Cape of Good Hope and Boston which captured the French corvette Le Berceau This book is the first to explore in depth the subject of subscribing for warships Frederick Leiner explains how the idea materialized who the subscribers and shipbuilders were how the ships were built and what contributions these ships made to the Quasi War against France Along the way he also offers significant insights into the politics of what is arguably the most critical period in American history    *America at War* Macmillan Library Reference Staff,Macmillan Publishing,1998 Presents America s wartime history from the Revolution to the Persian Gulf Includes biographies of military personnel and information on treaties    The History of Coles County, Illinois ,1879    *Beating Plowshares Into Swords* Paul A. C. Koistinen,1996

Koistinen describes how an undeveloped preindustrial economy forced Americans to fight defensive wars of attrition like the Revolution and the War of 1812. By the time of the Mexican War however a gradually maturing economy allowed the United States to use a much more offensive minded strategy to achieve its goals. The book concludes with an exhaustive examination of the Civil War a conflict that both anticipated and differed from the total wars of the industrialized era. Koistinen demonstrates that the North relied upon its enormous economic might to overwhelm the Confederacy through a strategy of annihilation while the South bungled its own strategy of attrition by failing to mobilize effectively a much less developed economy.

**Navalists and Antinavalists** Craig L. Symonds, 1980    **Lippincott's Monthly Magazine**, 1898    *In Peace and War* Kenneth J. Hagan, Michael McMaster, 2008-06-30 This 30th anniversary edition of a highly acclaimed classic covers the entire span of the American naval experience from the Revolution to the present. It avoids descending into a dry chronology of naval battles and instead focuses on the use of the navy as a diplomatic instrument in peacetime and wartime. When dealing with war the authors sketch in the political background and explain the grand strategy before dealing with individual battles and leaders. Each essay about the navy in war concludes with an assessment of the importance of naval operations to the outcome of the war and the significance of the war to America's role in world affairs. This book also traces changes in administrative premises and style the evolution of technology and the strategic revolutions characteristic of American naval history. This fully revised 30th anniversary edition includes new chapters by current experts in the field so as to continue its relevance in the 21st century. An entirely new and up to date bibliography containing secondary sources help make this title better than ever.

**Appleton's Cyclopædia of American Biography** James Grant Wilson, John Fiske, 1888

**The New American State Papers, Naval Affairs: Combat operations** Karl Jack Bauer, 1981    **The National Cyclopædia of American Biography**, 1892    **Virginia Genealogies** Horace Edwin Hayden, 1891    *Through a Fiery Trial* Bob Arnebeck, 1994-08-18 This is the true story about how Washington D C became the nation's capital. Arnebeck uncovers unknown information and chronicles the building of the city unlike anyone else.    *Life and Letters of George Cabot* Henry Cabot Lodge, 1877    **The Story of Alabama** Marie Bankhead Owen, 1949 Personal and Family History    **The Military Engineer**, 1948 Directory of members constitution and by laws of the Society of American military engineers 1935 inserted in v 27    **Naval History**, 2014    *The Smallwood Family of Maryland and Virginia*, 1970    **Ghosts** John Alexander, 1975
