Speaking With Tongues:

Hidden Power of Speaking in Tongues Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues*. The book was an immediate success as thousands were touched by the power of this spiritual gift. *The Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day. In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift.

An Essential Guide to Speaking in Tongues Ron Phillips, 2011-06-07 This book is part of the Foundation Series by Pastor Ron Phillips. The series will contain books describing the basic foundational truths for the Spirit-filled believer. *An Essential Guide to Speaking in Tongues* will describe the author's own experience with speaking in tongues. The author brings great balance to this topic and helps readers to understand that speaking in tongues is a blessing of God that gives us the ability to boldly approach God's throne with the Holy Spirit's power and language.

Audacity of Speaking in Tongues Oppong Kyekyeku, 2018-10-25 Theological correctness has made speaking in tongues controversial and it confuses everyone within Christendom. Many doubts which surrendering it are creating fear instead of faith for its authenticity. Meanwhile Jesus promised every believer as one of the signs to follow us. Speaking in tongues is not the Holy Spirit but it is the evidence indicating that the Holy Spirit has come upon you. It happened on the day of Pentecost when one hundred and twenty believers gathered together in Jerusalem. The Holy Spirit came upon all of them and they began to speak in tongues as evidence to confirm Jesus's prophecy. Peter couldn't ignore its reality but confirmed that the Holy Spirit had come upon the Gentiles just as they received when he heard the household of Cornelius speaking in tongues. In Ephesus Paul also believed the fact that the Holy Spirit had come upon all the twelve converts by laying his hands on them because they spoke in tongues. Now we contemporary Christians cannot overlook this evidence. Instead we must continue until we pass to the next generation. Because the truth has to be told.

The Gift of Speaking in Tongues Claire Robin, 2020-07-25 What do you know about speaking in tongues? A lot has been said about speaking in tongues, one of the most misunderstood and rarely used gifts in all Christianity. A huge percentage of Christians don't understand WHY they should speak in tongues. The rest don't think they have it in them to speak in tongues. Some Christians don't even believe in the gift of speaking in tongues. They are still stuck with the question, is speaking in tongues really for me? The answer is a simple one: speaking in tongues is for every Christian filled with the Holy Spirit. Many Christians have received the gift of speaking in tongues which has helped stimulate their faith, get their prayers answered, multiply God's love and power in their lives and helped them receive healing and victory in their endeavors. For others, receiving the Holy Spirit's gift isn't the most exciting thing for them in today's world but it is one of the most important gifts you can receive as a Christian today. You may

be okay with the occasional prayers you say in the morning at night and in between your daily schedules But when you really need to activate and pray from your spirit and not from your understanding you realize that you can't And what's a poor Christian like you to do Here's what you shouldn't do You shouldn't stop trying to receive the gift that's why I have written this book to help you with one thing receive the gift of speaking in tongues This book explores various topics on how you can receive this gift including How to Pray in Tongues at Will You will learn What the Bible says about speaking in tongues Being Saved and Being Filled with The Holy Spirit Quality Prayer Points to Bring Up to Start Speaking in Tongues The Basic Requirement for Speaking in Tongues The Significance of the Manifestation of the Holy Spirit How to Obtain the Holy Spirit and the Power to Speak in Tongues How to Get Ready for the Baptism of the Holy Spirit Speaking in Tongues and Staying with The Grace How to Pray in Tongues at Will If some or even all of the above are hindering you from claiming the gift the Holy Spirit is willing to give you today then you should immerse yourself in the Heavenly nuggets you will find scattered in this book to help you unlock and have access to your gift

The Unseen Dynamics of Speaking in Tongues Steven Adi, 2018-05-23 Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind There are certain questions you have always pondered upon while considering the subject of speaking in tongues A number of them highlighted below Why did God decide that we Christians should pray with other tongues Have you ever wondered the operations that go on spiritually on account of our prayer in tongues What are the realities and facts that distinguish praying in tongues from praying normally How much are we able to achieve within a short while when we pray in tongues Ever wondered what is the best mode of prayer Is it possible that Satan can block the answers to our prayers from reaching us Why was the answer to Daniel's prayers delayed by the Prince of Persia How can our prayers address the things that we do not have knowledge of The Unseen Dynamics of Praying in Tongues reveals all these mysteries and much more as you read through The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues highlighting also the analysis and technical aspects of speaking in tongues This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues
