**The Publishers Weekly** ,1900

*The President's Book of Secrets* David

Priess,2016-03-01 Every president has had a unique and complicated relationship with the intelligence community While some have been coolly distant even adversarial others have found their intelligence agencies to be among the most valuable instruments of policy and power Since John F Kennedy s presidency this relationship has been distilled into a personalized daily report a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities This top secret document is known as the President s Daily Brief or within national security circles simply the Book Presidents have spent anywhere from a few moments Richard Nixon to a healthy part of their day George W Bush consumed by its contents some Bill Clinton and George H W Bush consider it far and away the most important document they saw on a regular basis while commander in chief The details of most PDBs are highly classified and will remain so for many years But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels David Priess a former intelligence officer and daily briefer has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president s book of secrets He offers an unprecedented window into the decision making of every president from Kennedy to Obama with many character rich stories revealed here for the first time
