**Magic In the Blood** Devon Monk,2009-05-05 Magic stirred in me offering whatever I wanted. With little more than a thought and a gesture or two I could make magic do anything. So long as I was willing to pay the price Allison Beckstrom knows better than most that when magic's involved nothing's free. She's had to pay its price of migraines and forgetfulness while working as a Hound tracing illegal spells back to their casters. And even though magic has stolen her recent memory including her history with the man she supposedly fell in love with Allie isn't about to give up on Hounding or the city she cares about. Then the police's magic enforcement division asks her to consult on what seems to be a straightforward missing persons case. But what began as a way to make rent leads Allie into grave danger when the trail she's following draws her into the dark underworld of criminals, ghosts, and blood magic. There Allie discovers it will take more than just magic to survive. We're going to be hearing a lot more of Devon Monk New York Times Bestselling Author Patricia Briggs.
