The Civil War:

History of the Civil War James Ford Rhodes, 2018-03-21 Musaicum Books presents to you this meticulously edited Civil War collection. The edition includes the Pulitzer Prize awarded History of Civil War as well as the memoirs of the two most important military commanders of the Union Ulysses S Grant and William T Sherman complete with biographies of Abraham Lincoln Jefferson Davis and Robert E Lee. Finally this collection is enriched with pivotal historical documents which provide an explicit insight into this decisive period of the American past. Content History of the Civil War 1861-1865 Leaders Commanders of the Union Abraham Lincoln Ulysses S Grant William T Sherman Leaders Commanders of the Confederation Jefferson Davis Robert E Lee Civil War Documents The Emancipation Proclamation Gettysburg Address Thirteenth Amendment to the United States Constitution Presidential Actions and Addresses by Abraham Lincoln 1861-1862-1863-1864-1865. How the North Won Herman Hattaway, Archer Jones, 1991 Covers the essential factors which shaped the battles and ultimately determined the outcome of the Civil War. This Great Struggle Steven E. Woodworth, 2011-04-16 Referring to the war that was raging across parts of the American landscape Abraham Lincoln told Congress in 1862 We shall nobly save or meanly lose the last best hope on earth Lincoln recognized what was at stake in the American Civil War not only freedom for 3.5 million slaves but also survival of self government in the last place on earth where it could have the opportunity of developing freely. Noted historian Steven E. Woodworth tells the story of what many regard as the defining event in United States history. While covering all theaters of war he emphasizes the importance of action in the region between the Appalachians and the Mississippi River in determining its outcome. Woodworth argues that the Civil War had a distinct purpose that was understood by most of its participants it was primarily a conflict over the issue of slavery. The soldiers who filled the ranks of the armies on both sides knew what they were fighting for. The outcome of the war after its beginnings at Fort Sumter to the Confederate surrender four years later was the result of the actions and decisions made by those soldiers and millions of other Americans. Written in clear and compelling fashion *This Great Struggle* is their story and ours. The Civil War Bruce Catton, 2005 Infinitely readable and absorbing Bruce Catton's *The Civil War* is one of the best selling most widely read general histories of the war available in a single volume. Newly introduced by the critically acclaimed Civil War historian James M. McPherson *The Civil War* vividly traces one of the most moving chapters in American history from the early division between the North and the South to the final surrender of Confederate troops. Catton's account of battles is carefully interwoven with details about the political activities of the Union and Confederate armies and diplomatic efforts overseas. This new edition of *The Civil War* is a must have for anyone interested in the war that divided America. **The Civil War Begins: Opening Clashes, 1861** Jennifer M. Murray, 2012-08-23 Although over one hundred fifty years have passed since the start of the American Civil War that titanic conflict continues to matter. The forces unleashed by that war were immensely destructive because of the significant issues involved the existence of the Union the end of slavery and the

very future of the nation The war remains our most contentious and our bloodiest with over six hundred thousand killed in the course of the four year struggle Most civil wars do not spring up overnight and the American Civil War was no exception The seeds of the conflict were sown in the earliest days of the republic s founding primarily over the existence of slavery and the slave trade Although no conflict can begin without the conscious decisions of those engaged in the debates at that moment in the end there was simply no way to paper over the division of the country into two camps one that was dominated by slavery and the other that sought first to limit its spread and then to abolish it Our nation was indeed half slave and half free and that could not stand Regardless of the factors tearing the nation asunder the soldiers on each side of the struggle went to war for personal reasons looking for adventure being caught up in the passions and emotions of their peers believing in the Union favoring states rights or even justifying the simple schoolyard dynamic of being convinced that they were worth three of the soldiers on the other side Nor can we overlook the factor that some went to war to prove their manhood This has been and continues to be a key dynamic in understanding combat and the profession of arms Soldiers join for many reasons but often stay in the fight because of their comrades and because they do not want to seem like cowards Whatever the reasons the struggle was long and costly and only culminated with the conquest of the rebellious Confederacy the preservation of the Union and the end of slavery These campaign pamphlets on the American Civil War prepared in commemoration of our national sacrifices seek to remember that war and honor those in the United States Army who died to preserve the Union and free the slaves as well as to tell the story of those American soldiers who fought for the Confederacy despite the inherently flawed nature of their cause The Civil War was our greatest struggle and continues to deserve our deep study and contemplation

Battles of the Civil War Thomas E. Vineyard,2014-02-22 The American Civil War also known as the War Between the States or simply the Civil War in the United States see naming was a civil war fought from 1861 to 1865 in the United States after seven Southern slave states declared their secession and formed the Confederate States of America the Confederacy or the South The states that remained in the Union were known as the Union or the North The war had its origin in the fractious issue of slavery especially the extension of slavery into the western territories Foreign powers did not intervene After four years of bloody combat that left over 600 000 soldiers dead and destroyed much of the South s infrastructure the Confederacy collapsed slavery was abolished and the difficult Reconstruction process of restoring national unity and guaranteeing rights to the freed slaves began

The History of the Civil War in America John Stevens Cabot Abbott,1863

The Civil War in America William Howard Russell,2016-02-18 The Civil War in America Fuller s Modern Age August 1861 by William Howard Russell The American Civil War 1861 1865 in the United States often referred to as simply the Civil War and sometimes called the War Between the States was a civil war fought over the secession of the Confederate States Eleven southern slave states declared their secession from the United States and formed the Confederate States of America the Confederacy the other 25 states supported the federal government the Union After four years of

warfare mostly within the Southern states the Confederacy surrendered and slavery was abolished everywhere in the nation Issues that led to war were partially resolved in the Reconstruction Era that followed though others remained unresolved Hostilities began on April 12 1861 when Confederate forces fired on a U S military installation at Fort Sumter in South Carolina Lincoln responded by calling for a volunteer army from each state to recapture federal property *The History of the Civil War in America* John Stevens Cabot Abbott,1866 **History of the Civil War in America ... ,1864** **The Story of the Civil War** John Codman Ropes,1913

The Civil War James I Robertson, Jr,2022-09-08 The Civil War is one of the most studied and written about episodes in the history of the United States It remains the subject of cultural and historiographical debate Of particular interest is the persisting myth of the Lost Cause of the Confederacy The American Civil War was among the earliest to use industrial warfare Railroads the telegraph steamships the ironclad warship and mass produced weapons saw wide use In total the war left between 620 000 and 750 000 soldiers dead along with an undetermined number of civilian casualties The Civil War remains the deadliest military conflict in American history The technology and brutality of the Civil War foreshadowed the coming World Wars The Civil War in the United States Karl Marx,Friedrich Engels,1937

Armies of Deliverance Elizabeth R. Varon,2019 In Armies of Deliverance Elizabeth Varon offers both a sweeping narrative of the Civil War and a bold new interpretation of Union and Confederate war aims

The Civil Wars of General Joseph E. Johnston Richard M. McMurry,2023-01-16 Joseph Eggleston Johnston was one of the original five full Confederate generals He graduated West Point in the same 1829 class as Robert E Lee and served in the War with Mexico the Seminole Wars in Florida and in Texas and Kansas By 1860 Johnston was widely looked upon as one of America s finest military officers During the Civil War he commanded armies in Virginia Georgia and the Carolinas and served as commander of the entire Western Theater during a critical period of the war Johnston s contributions to the war effort however remain a lightning rod of controversy In The Civil Wars of General Joseph E Johnston Richard M McMurry argues persuasively that the Confederacy s most lethal enemy was the toxic dissension within the top echelons of its high command The discord between General Johnston and President Jefferson Davis and others which began early in the conflict and only worsened as the months passed routinely prevented the cooperation and coordination the South needed on the battlefield if it was going to achieve its independence The result was one failed campaign after another all of which cumulatively doomed the Southern Confederacy McMurry s study is not a traditional military biography but a lively and opinionated conversation about major campaigns and battles strategic goals and accomplishments and how these men and their decision making and leadership abilities directly impacted the war effort Personalities argues McMurry win and lose wars and the military and political leaders who form the focal point of this study could not have been more different and in the case of Davis and Johnston more at odds when it came to making the important and timely decisions necessary to wage the war effectively The Civil Wars of General Joseph E Johnston represents a lifetime of study and contemplation that

captures Johnston in a way that has never been accomplished. It sheds fresh light on old controversies and compels readers to think about major wartime events in unique and compelling ways. This first installment begins just before the Civil War and ends on the eve of Johnston taking command of the Army of Tennessee in North Georgia. Here finally is the definitive study of how qualities of character played an oversized role in determining the outcome of the Civil War.

A History of the Civil War, 1861-65 Benson John Lossing, Mathew B. Brady, 1927

The Civil War DK, 2015-02-02 Following Abraham Lincoln's presidential victory in 1861 eleven Southern states withdrew from the Union to form the Confederate States of America, sparking a war between the North and South in which a series of bitterly contested battles and sieges and countless minor skirmishes were fought. The Civil War is divided into seven chronological chapters each introduced by a general overview of the military and political situation. Each of the war's major engagements is treated individually while still connecting the complicated relationships between the war's far flung theaters or the overall strategies of the two sides. The Civil War also includes the reactions of ordinary soldiers and civilians to the momentous events they witnessed as well as features on major personalities military and civilian and on aspects of the war away from the battlefield such as the effects of the Northern blockade or the fate of prisoners. The casualty toll of the Civil War still exceeds that of every other American war before and since put together. Race and states rights remain potent issues to this day making the story of the Civil War as gripping today as it was when it divided the nation more than 150 years ago.

Writing the Civil War James M. McPherson, William James Cooper (Jr.), 1998 Fourteen distinguished historians present a wide ranging discussion of the vast effort to chronicle the Civil War an undertaking that began with the remembrances of Civil War veterans and has become an increasingly prolific field of scholarship.

The Civil War Turning Points in the East Charles River Editors, 2025-05-02

The bloodiest day in American history took place on the 75th anniversary of the signing of the Constitution. On September 17, 1862 Robert E. Lee's Confederate Army of Northern Virginia fought George McClellan's Union Army of the Potomac outside Sharpsburg along Antietam Creek. That day nearly 25,000 would become casualties and Lee's army would barely survive fighting the much bigger Northern army. Although the battle was tactically a draw it resulted in forcing Lee's army out of Maryland and back into Virginia making it a strategic victory for the North and an opportune time for President Abraham Lincoln to issue the Emancipation Proclamation freeing all slaves in the rebellious states. For those reasons Antietam is remembered as one of the major turning points of the Civil War but it is often overlooked that the bloody battle only represented the climactic culmination of a 3 week campaign that saw George McClellan cautiously pull a fragmented Union army together and begin tracking Lee's army into Maryland. Sizing up McClellan Lee had split his army up during its invasion including sending Stonewall Jackson's men to Harpers Ferry but the whole course of the campaign and possibly the war changed when the Union Army somehow found a copy of Lee's marching orders telling them where the Confederate army would be and when. To Lee's surprise McClellan's army began advancing far more rapidly including attacking them at South

Mountain before cornering them along Antietam Creek outside of Sharpsburg Without question the most famous battle of the American Civil War took place outside of the small town of Gettysburg Pennsylvania which happened to be a transportation hub serving as the center of a wheel with several roads leading out to other Pennsylvanian towns From July 1 3 Robert E Lee's Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade's Union Army of the Potomac unleashing ferocious assaults that inflicted nearly 50 000 casualties in all Day 1 of the battle would have been one of the 25 biggest battles of the Civil War itself and it ended with a tactical Confederate victory But over the next two days Lee would try and fail to dislodge the Union army with attacks on both of its flanks during the second day and Pickett's Charge on the third and final day Meade's stout defense held barely repulsing each attempted assault handing the Union a desperately needed victory that ended up being one of the Civil War's turning points After the South had lost the war the importance of Gettysburg as one of the high tide marks of the Confederacy became apparent to everyone making the battle all the more important in the years after it had been fought While former Confederate generals cast about for scapegoats with various officers pointing fingers at Robert E Lee James Longstreet and James Stuart historians and avid Civil War fans became obsessed with studying and analyzing all the command decisions and army movements during the entire campaign Despite the saturation of coverage Americans refuse to grow tired of visiting the battlefield and reliving the biggest battle fought in North America The Civil War Turning Points in the East comprehensively covers the entire Pennsylvania campaign analyzes the decisions made by the battles most important leaders and explains the aftermath of the Union victory and the legacies that were made and tarnished by the battles Along with bibliographies maps of the battles and pictures of important people and places you will learn about the battles like you never have before **A History of the Civil War, 1861-1865 (Esprios Classics)** James Ford Rhodes, 2021-05-15 A History of the Civil War 1861 1865 is a book by James Ford Rhodes It won the Pulitzer Prize for History in 1918 The book is about the American Civil War The civil war was fought between northern states loyal to the Union and southern states that had seceded to form the Confederate States of America The civil war began as a result of the unresolved controversy of the enslavement of black people and its disputed continuance War broke out in April 1861 when secessionist forces attacked Fort Sumter in South Carolina just over a month after Abraham Lincoln had been inaugurated as the president of the United States

Right here, we have countless books **The Civil War** and collections to check out. We additionally have the funds for variant types and after that type of the books to browse. The normal book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily comprehensible here.

As this The Civil War, it ends taking place subconscious one of the favored book The Civil War collections that we have. This is why you remain in the best website to look the incredible books to have.
