The Alienation Effect Owen Hatherley,2025-03-27 Britain Made in Europe In the 1930s tens of thousands of central Europeans sought sanctuary from fascism in Britain While the rainy seemingly quaint island they discovered on arrival was a far cry from the dynamism of Weimar Berlin or Red Vienna it was safe and it became home Yet the migrants had not arrived alone they brought with them new and radical ideas and as they began to rebuild their lives and livelihoods they transformed the face of Britain forever Drawing on an immense cast of artists and intellectuals including celebrated figures like Erno Goldfinger forgotten luminaries like Ruth Glass and a host of larger than life visionaries and charlatans the historian Owen Hatherley argues that in the resulting clash between European modernism and British moderation our imaginations were fundamentally realigned and remade for the better In casting what Bertolt Brecht called in a new German word a Verfremdungseffekt an alienation effect on Britain the aliens made us all a little bit alien too Provocative entertaining and meticulously researched The Alienation Effect opens our eyes to the influence of the migrants all around us many of our most quintessentially British icons are the product of this culture clash and entreats us to remember and renew our proud national tradition of asylum    The National Union Catalogs, 1963- ,1964    The National Union Catalog ,1973    **National Union Catalog** ,1968 Includes entries for maps and atlases    **The Other Sylvia Plath** Tracy Brain,2014-07-22 Despite being widely studied on both undergraduate and postgraduate courses the writing of Sylvia Plath has been relatively neglected in relation to the attention given to her life and what drove her to suicide Tracy Brain aims to remedy this by introducing completely new approaches to Plath's writing taking the studies away from the familiar concentration to reveal that Plath as a writer was concerned with a much wider range of important cultural and political topics Unlike most of the existing literary criticism it shifts the focus away from biographical readings and encompasses the full range of Plath's poetry prose journals and letters using a variety of critical methods    **Encounter** Stephen Spender,Irving Kristol,1967    Poetry by American Women, 1900-1975 Joan Reardon,Kristine A.
