## **Speak Up:**

**Speak Up** Megan Reitz, John Higgins, 2019-08-05 A powerful book on an important topic *Speak Up* helps us understand the subtle elements that contribute to our holding back valuable ideas and observations Their TRUTH framework which is as practical as it is rigorous identifies essential elements to help individuals find their voice Amy Edmondson Professor Harvard Business School Author *The Fearless Organization* Wiley 2019 What you say or don't say in a conversation can have life defining consequences on ourselves and those around us *Speak Up* helps you to navigate power differences so you can speak up with confidence and enable others to find their voice in a way that will be heard Our day to day conversations define how we see ourselves and how we're seen The choices we make about what to say and who to say it to are decisive factors in whether we get promoted or side lined Whether we steer clear of trouble or find ourselves in it up to our necks With daily scandals hitting the headlines and the continuous need to innovate to survive creating a more honest open fulfilling and productive workplace has never been more pressing Our conversational choices harness the ideas and intelligence of the people we work with or result in that revolutionary concept never seeing the light of day They make us feel proud or ashamed of ourselves for what we have or have not said They cause us to flourish and feel motivated or result in us feeling dissatisfied and resentful *Speak Up* helps you to navigate power differences and speak up with confidence in a way that you will be heard But it's no good speaking up if there isn't anyone listening so we also help you to understand how your power enables others to speak up and how it might silence them

*The Leadership Trajectory* Patricia S. Yoder-Wise, Karren Kowalski, Susan Sportsman, 2020-08-16 Designed to help you excel at every stage of your leadership path this unique and practical text is organized around a nursing and health care leadership trajectory of three core areas The Strategies The Personal and The Environment The Strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions The Personal relates to the concepts that you must develop and hone to increase your influence The Environment reinforces how you can exercise the strategies and personal factors in this leadership model through assessing the situations in which you find yourself Reflection questions in each chapter emphasize the importance of the process being discussed as a strategy for growth and to facilitate active reading LL Alert boxes cite examples of actions and statements to avoid LL Lineup summaries at the end of each chapter help you create an action plan related to the chapter topic Practical approach features straightforward concise content that addresses only the most relevant information on the subject of each chapter The Strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions The Personal relates to the concepts that you must develop and hone to increase your influence The Environment reinforces how you can exercise the strategies and personal factors in this model through assessing the situations in which you find yourself
