David V. Forrest,2012-01-03 A renowned psychiatrist explores the world of slot machine gambling and the almost religious devotion that has turned it into a billion dollar industry This astonishing book reveals that there's a lot more to playing slot machines one of America's fastest growing forms of entertainment than good fun deep relaxation and the dream of a multi million dollar jackpot Slots tells how the machines work how the random numbers that govern them are generated and how the casinos make their profit slowly but surely as they keep only a dime of every dollar invested It also offers strategies of slot play and suggests alternate activities to distract us when casinos become harmfully habitual But ultimately as Dr Forrest writes to spend one's time feeding money to the machines is to participate in well a form of prayer And the gaming industry seems very much aware of it as players annually plunge more than 365 billion into slots of which casinos keep about 30 billion and as casinos 70 to 85 percent of whose profits are earned by slot machines have spread to more than a dozen states and even into a number of racetracks where they're called racinos What this book describes with both humor and a sense of awe is the way slots emporia have steadily been transformed from underground grottos to soaring cathedral like structures where congregants sit and commune all to the end of worshipping the god of chance

**Casino Management in Integrated Resorts** Desmond Lam,2019-06-25 Casino Management in Integrated Resorts introduces students to the changing nature of casino businesses within the framework of an integrated resort or hospitality organisation In the new integrated casino model casinos play an important role not only in revenue generation but in supporting the other amenities in the resort including bars restaurants hotels and theme parks This book brings readers up to speed with the challenges of managing a casino within this rapidly expanding gaming leisure tourism industry It covers a range of essential topics such as

the basic psychology of casino gaming the role and history of casinos within an integrated resort staffing floor design table and slot game management control and security marketing and social impact Written in an accessible style this book is suitable for readers with no prior knowledge of or experience in casino operations It will be an essential introductory yet comprehensive resource for all those undertaking casino management courses

**Jackpot Nation** Richard

Hoffer,2009-10-13 Is this a great country or what You can bet on the turn of the card or a roll of the dice but also on the NFL the NCAA and which Olsen twin marries first We bet 80 billion a year the amount growing wildly as more and more people gain access to this huge American wheel of fortune No longer quarantined in Las Vegas gambling has become as local and convenient as our neighborhood cineplex If there s not a casino around the corner there s one on your laptop computer In Jackpot Nation Richard Hoffer takes us on a headlong tour alternately horrifying and hilarious across our landscape of luck Whether he s trying to win a side of bacon in a Minnesota bar hustling a paper sack filled with 100 000 in cash across Las Vegas parking lots poring over expansion plans with a tribal chief in California or visiting the New York prison cell of a retired bus salesman with a poor understanding of three game parlays Hoffer explores with wit and heart our national inclination a cultural predisposition even to take a chance
