## **Slow Boat On Rum Row:**

*Slow Boat on Rum Row* Fraser Miles, 1992 Growing up in BC during the 1920s young Fraser Miles never knew anything but poverty There was no social stigma to being poor most of his neighbours were not much better off but in his late teens Miles began to look for a way to finance a career in the growing field of radio electronics Not long after he was hired as radio operator on the Ruth B the young man noticed that the alleged fishpacker was packing anything but fish These were the Prohibition years there was less money in freezing herring than there was in smuggling liquor to the thirsty multitudes south of the border Slow Boat on Rum Row begins as a fascinating memoir of Fraser Miles youth in the fledgling community of Mission on the Fraser River a rugged milieu where beachcombing and cougar hunting were more important than high school in teaching a boy the hard facts of survival Miles account of his years on the rumboats always one step ahead of the law is an exciting story of survival at sea It is also a valuable addition to an episode of coast history that is little documented After all rum runners as a group Miles writes made the Sphinx sound like a chatterbox

**Rumrunners** J. Anne

Funderburg, 2016-11-18 In 1920 the 18th Amendment made the production transportation and sale of alcohol not merely illegal it was unconstitutional Yet no legislation could end the demand for alcohol Enterprising rumrunners worked to meet that demand with cunning courage machineguns and speedboats powered by aircraft engines They out maneuvered the U S Coast Guard and risked their lives to deliver illicit liquor Smugglers like Bill McCoy the Bahama Queen and the Gulf Stream Pirate along with many others ran operations along the U S coastline until Prohibition was repealed in 1933 Drawing on legal records newspaper articles and Coast Guard files this history describes how rumrunners battled the Dry Navy and corrupted U S law enforcement in order to keep America wet

**Bootleggers and Borders** Stephen T. Moore, 2014-11-01

Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 Bootleggers and Borders explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest Bootleggers and Borders offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia's method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition
