Jordan, 2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these Blessing Same Sex Unions will be a must read for both sides of the debate over gay marriage in America today **Slow Dance in Autumn** Philip Lee Williams, 1989-12-02 With crackling action and razor sharp dialogue award winning author Philip Lee Williams brings the dark side of Atlanta to life with private detective Hank Prince A former AAA baseball player Prince has lately fallen on hard times and is thinking of bailing out of the private eye business when he learns an old friend is missing **A Woman Scorned** Peggy Reeves Sanday, 1996 Beginning with a harrowing account of the St John s rape case Sanday reaches back through British and American landmark rape cases to explain how with the

exception of earliest Colonial times rape has been a crime notable for placing the woman on trial Whether she is charged as a false accuser gold digger loose or scorned woman stereotypes prevail American jurisprudence and the public at large remain divided on acquaintance rape And now as the Violence Against Women Act the most important legislation for women in twenty years has been passed a new breed of antifeminists has stepped up to the plate to subordinate women's bid for sexual autonomy and freedom A groundbreaking work of scholarship that coherently challenges the anti rape backlash and its rhetoric A Woman Scorned brings a broader perspective to our understanding of acquaintance rape and envisions finally a new paradigm for female sexual equality

Shame and Pride Donald L. Nathanson, 2015-06-26 This is a revolutionary book about the nature of emotion about the way emotions are triggered in our private moments in our relations with others and by our biology Drawing on every theme of the modern life sciences Donald Nathanson shows how nine basic affects interest excitement enjoyment joy surprise startle fear terror distress anguish anger rage disgust and shame humiliation not only determine how we feel but shape our very sense of self For too long those who explain emotional discomfort on the basis of lived experience and those who blame chemistry have been at loggerheads As Dr Nathanson shows chemicals and illnesses can affect our mood just as surely as an uncomfortable memory or a stern rebuke Linking for the first time the affect theory of the pioneering researcher Silvan S. Tomkins with the entire world of biology medicine psychology psychotherapy religion and the social sciences Dr Nathanson presents a completely new understanding of all emotion
