Nixon-Haynes,2020-06-25 In this book you will find words from my heart and soul You will read about the trials and tribulations that not only hindered and set me back but caused me a great deal of depression You will come to know all about God s amazing grace and how He used some very difficult times to bring about a significant change within me After having a

pessimistic attitude for many years I finally came to the conclusion that God created me therefore He must understand me I started praying and talking to God about issues that I did not feel comfortable talking to anyone else about This book of inspirational poetry is comprised of my authentic conversations with God Through my poetry I was set free to be my own unique self Throughout my journey and in the midst of trials therein I have learned to appreciate precious things that I once took for granted such as life health and family God has affirmed that He is in control of my life and has a great plan for me I do not know the complete depth or details of that plan but what I do know is God wants me to share my life experiences I want everyone to know there is life after heartaches and pain There Is Life At The End of The Tunnel Hopefully this book will serve as a token of God s love and encouragement that helps everyone realize you do not have to be a victim or prisoner of your past You do not have to be held captive by the trials and tribulations in life You have the ability to turn your pain into power rather than allowing it to control you You have a choice Therefore choose to be a victor and not a victim I pray that the presence of God is felt while reading this book He speaks directly to your heart and inspire you to believe you deserve to live a great life on purpose in spite of your flaws and the mistakes that you have made You deserve the best of everything that life has to offer Believe it receive it and do not settle for anything less You are not alone Sincerely Carla Y Nixon Haynes
