Terrorism Essential Primary Sources:

Terrorism in Youth Popular Culture Martin Claar, Clint W. Jones, 2024-11-05 As an integral part of the modern West terrorism features prominently in the news in film and television even in video games and books Packaged for public consumption representations of terrorism and terrorists offer attempts to make sense of the contemporary experience While terrorism is often treated as a topic of concern for mature audiences this book focuses on media that are aimed at children and young adults The contributors investigate the way terrorism is portrayed in movies television shows literature games and other popular culture formats aimed at these younger audiences focusing particularly on the impact these portrayals have on these audiences as future decision makers An Intellectual History of Terror Mikkel Thorup, 2010-06-30 This book investigates terrorism and anti terrorism as related and interacting phenomena undertaking a simultaneous reading of terrorist and statist ideologists in order to reconstruct the deadly dialogue between them This work investigates an extensive array of violent phenomena and actors trying to broaden the scope and ambition of the history of terrorism studies It combines an extensive reading of state and terrorist discourse from various sources with theorizing of modernity's political institutional and ideological development forms of violence and its guiding images of self and other order and disorder Chapters explore groups of actors terrorists pirates partisans anarchists Islamists neo Nazis revolutionaries soldiers politicians scholars as well as a broad empirical source material and combine them into a narrative of how our ideas and concepts of state terrorism order disorder territory violence and others came about and influence the struggle between the modern state and its challengers The main focus is on how the state and its challengers have conceptualized and legitimated themselves defended their existence and most importantly their violence In doing so the book situates terrorism and anti terrorism within modernity's grander history of state war ideology and violence This book will be of much interest to students of critical terrorism studies political violence sociology philosophy and Security Studies IR in genera Mikkel Thorup is Assistant Professor at the Institute of Philosophy and the History of Ideas University of Aarhus Denmark Terrorism K. Lee Lerner, 2006 Presents approximately 150 primary source documents such as speeches legislation memoirs newspaper articles and interviews related to terrorism between the nineteenth and twenty first centuries Ruminations: Selected Philosophical, Historical, and Ideological Papers, Volume 1, Part 2. The Finite Eric v.d. Luft, 2020-09-13 Since the 1970s I have pursued three separate but overlapping and sometimes simultaneous careers 1 philosopher writer teacher historian of the long nineteenth century 1789-1914 2 editor translator photographer publisher biographer encyclopedist 3 cataloging librarian rare books and special collections librarian historian of medicine Somehow these three vocations have garnered me some acclaim even an entry in Who's Who in America Each of them has resulted in some published or presented works Because these works have been scattered in a wide variety of venues some of which have gone out of print or have otherwise become generally unavailable and of course with the oral presentations being gone as soon as they are given I have thought

it wise to select epitomize and bring them together in one place here Thus what follows in these volumes is what I consider to be the most important of my shorter works All translations are my own unless otherwise indicated **Terrorism**,2006 These volumes of primary source documents focus on leading social issues of the 19th 20th and 21st centuries International in scope each title is devoted to one topic **Medicine, Health, and Bioethics** K. Lee Lerner,2006 A focus on leading social issues of the 19th 20th and 21st centuries Each title contains approximately 175 full or excerpted documents speeches legislation magazine and newspaper articles essays memoirs letters interviews novels songs and works of art as well as overview information that places each document in context **Ruminations, Volume 2, Dawns and Departures** Eric v.d.
