Texas Death Row:

Death Row, Texas: Inside the Execution Chamber Michelle Lyons, 2018-11-27 What really happens inside America's most active death row chamber I can't remember his name or his crime What I remember is the nothingness No family members no friends no comfort Maybe he didn't want them to come maybe they didn't care maybe he didn't have any in the first place It was just a prison official and two reporters including me looking through the glass at this man strapped fast to the gurney needles in both arms staring hard at the ceiling When the warden stepped forward and asked if he wanted to make a last statement the man barely shook his head said nothing and started blinking That's when I saw it a single tear at the corner of his right eye A tear he desperately wanted to blink away a tear he didn't want us to see It pooled there for a moment before running down his cheek The warden gave his signal the chemicals started flowing the man coughed sputtered and exhaled A doctor entered the room pronounced the man dead and pulled a sheet over his head Michelle Lyons from the Prologue Michelle Lyons witnessed nearly 300 executions at the Texas State penitentiary This behind the scenes look at those haunting final moments of life relates shocking true stories of the inmate his/her family members prison officials the death row chaplain and the victim's loved ones all of whom come together in the death chamber Texas death row, 1997-01-01 Ken Light and his camera were permitted unparalleled access to Texas death row His stark powerful images show where and how the condemned live In the year he took these pictures fourteen men were executed in Texas Suzanne Donovan's essay draws upon her interviews with the condemned men and with prison authorities family members and members of victims' families Whoever opens this book will want to look away for the pictures and words force us to gaze intimately into the eye of death Light's photographs make us ask what we have done in sanctioning execution With ninety percent approval no other place in America has approved the death sentence so overwhelmingly as Texas Ken Light's raw austere photographs and the accompanying text reveal what we have created in the hopeless world of court-ordered death Who are the men who exist there What do they look like How do they survive and what are the rhythms of their daily lives While outsiders focus on the final act of execution the real drama unfolds each day in this arcane world Texas Death Row Bill Crawford, 2008-01-29 A chilling catalog of the men and women who have paid the ultimate price for their crimes The death penalty is one of the most hotly contested and longest standing issues in American politics and no place is more symbolic of that debate than Texas Since the reinstatement of the death penalty in 1977 Texas has put more than 390 prisoners to death far more than any other state Texas Death Row puts faces to those condemned men and women with stark details on their crimes sentencing last meals and last words Definitive and objective Texas Death Row will provide ample fuel for readers on both sides of the death penalty debate **Final Words** 578 Men and Women Executed on Texas Death Row, 2023-11-14 In 1976 the Supreme Court of the United States affirmed the legality of capital punishment in their ruling on *Gregg v Georgia* In the forty-six years since the decision was handed down 1,551 convicted prisoners have been executed The United States is the only Western nation

and one of four advanced democracies that regularly applies the death penalty While the death penalty is legal in twenty seven states only twenty one have the means to carry out death sentences Of those states Texas has executed the most prisoners in recent history putting 578 people to death since the 1976 ruling beginning with Charlie Brooks in 1982 Texas retains the third largest death row population behind California and Florida In the summer of 2020 the Trump administration broke a nearly seventeen year stay during which the federal government did not sanction any executions when it put thirteen inmates to death over six months Seventeen of the forty five current federal death row inmates the highest proportion of any state are incarcerated in Texas Final Words addresses the death penalty in the United States as a violation of human rights Consisting of a collection of government documents relating to the 578 executed Texas inmates this sweeping project presents a portrait of each life brought to a violent end including final moments that are often spent expressing words of love for family and friends sorrow for victims and even gratitude The compilation stands as a stark indictment of institutions that are rampant with racism classism and sexism Each entry each story each utterance will challenge readers to answer the question is there room for humanity in the American justice system

Killing Justice in the Lone Star State Michael O'Brien, 2021-06-15 Killing Justice in the Lone Star State is a reality check on active Death Row cases and some post execution ones The book offers a fresh perspective for campaigners and reformers which ranges across theory policy and practice It also explains the much criticised Texas law of parties A must read an excellent new book by Mike O'Brien A powerful critique a critical comparative analysis of USA UK human rights standards Packed with cases A compelling case for abolition Dr Michael Naughton Bristol University Empowering the Innocent Project Many organizations are engaged in a race to prevent the execution of death sentenced prisoners in Texas and elsewhere in the USA Some men and women on Death Row claim to be completely innocent as described in this book Michael O'Brien who was himself wrongly convicted of murder dissects cases with the eye of someone who has spent years watching how miscarriages of justice happen and why He explains how practitioners and others are in denial and tunnel vision helps to sustain politicians livelihoods and profits that depend on a conveyor belt from the courts to the execution chamber He describes a killing process aided by bias discrimination prejudice unfair trials

supposed expert evidence and closed minds This is just one hallmark of a country obsessed with guns violence and the ultimate penalty Texas is the most punitive place within one of the harshest penal systems in the world But no legal system should take away human lives especially one tarnished by defects of the kind the author sets out in this book Extract Can you just imagine being an individual who is innocent but facing execution whether in Texas or elsewhere Or you were on Death Row but you did not take part in any killings just got caught up in the hysteria Can you picture the pressure and abject loneliness of serving 15 years or more and then the State setting a date to kill you *Lethal Injection* Jonathan R. Sorensen,Rocky LeAnn Pilgrim,2013-08-26

Few state issues have attracted as much controversy and national attention as the application of the death penalty in Texas In the years since the death penalty was reinstated in 1976 Texas has led the nation in passing death sentences and executing prisoners The vigor with which Texas has implemented capital punishment has however raised more than a few questions Why has Texas been so fervent in pursuing capital punishment Has an aggressive death penalty produced any benefits Have dangerous criminals been deterred Have rights been trampled in the process and most importantly have innocents been executed These important questions form the core of *Lethal Injection Capital Punishment in Texas during the Modern Era* This book is the first comprehensive empirical study of Texas s system of capital punishment in the modern era Jon Sorensen and Rocky Pilgrim use a wealth of information gathered from formerly confidential prisoner records and a variety of statistical sources to test and challenge traditional preconceptions concerning racial bias deterrence guilt and the application of capital punishment in this state The results of their balanced analysis may surprise many who have followed the recent debate on this important issue **Texas Death Row** Bill Crawford,2006-01-01

Death Row: The Final Minutes Michelle Lyons,2018-05-03 IN 12 YEARS

MICHELLE LYONS WITNESSED NEARLY 300 EXECUTIONS First as a reporter and then as a spokesperson for the Texas Department of Criminal Justice Michelle was a frequent visitor to Huntsville s Walls Unit where she recorded and relayed the final moments of death row inmates lives before they were put to death by the state Michelle was in the death chamber as some of the United States most notorious criminals including serial killers child murderers and rapists spoke their last words on earth while a cocktail of lethal drugs surged through their veins Michelle supported the death penalty before misgivings began to set in as the executions mounted During her time in the prison system and together with her dear friend and colleague Larry Fitzgerald she came to know and like some of the condemned men and women she saw die She began to query the arbitrary nature of the death penalty and ask the question do executions make victims of all of us An incredibly powerful and unique look at the complex story of capital punishment as told by those whose lives have been shaped by it

with stark and strangely engaging details on their crimes sentencing last meals and last words *Let the Lord Sort Them* Maurice Chammah, 2021-01-26 NEW YORK TIMES EDITORS CHOICE A deeply reported searingly honest portrait of the death penalty in Texas and what it tells us about crime and punishment in America If you're one of those people who despair that nothing changes and dream that something can this is a story of how it does Anand Giridharadas The New York Times Book Review WINNER OF THE J ANTHONY LUKAS AWARD In 1972 the United States Supreme Court made a surprising ruling the country's death penalty system violated the Constitution The backlash was swift especially in Texas where executions were considered part of the cultural fabric and a dark history of lynching was masked by gauzy visions of a tough on crime frontier When executions resumed Texas quickly became the nationwide leader in carrying out the punishment Then amid a larger wave of criminal justice reform came the death penalty's decline a trend so durable that even in Texas the punishment appears again close to extinction In *Let the Lord Sort Them* Maurice Chammah charts the rise and fall of capital punishment through the eyes of those it touched We meet Elsa Alcalá the orphaned daughter of a Mexican American family who found her calling as a prosecutor in the nation's death penalty capital before becoming a judge on the state's highest court We meet Danalynn Recer a lawyer who became obsessively devoted to unearthing the life stories of men who committed terrible crimes and fought for mercy in courtrooms across the state We meet death row prisoners many of them once famous figures like Henry Lee Lucas Gary Graham and Karla Faye Tucker along with their families and the families of their victims And we meet the executioners who struggle openly with what society has asked them to do In tracing these interconnected lives against the rise of mass incarceration in Texas and the country as a whole Chammah explores what the persistence of the death penalty tells us about forgiveness and retribution fairness and justice history and myth Written with intimacy and grace *Let the Lord Sort Them* is the definitive portrait of a particularly American institution **Death Row** Shirley Dicks, 1990 I don't know when we will stop murdering people whether randomly on the streets or systematically in our death chambers The only way to prevent continuation of the suffering and grief murder occasions in to prevent murder I have worked with eighteen people who have been executed and five of those I'm convinced were innocent the words of Joe Ingle said to be a 1988 Nobel Peace Prize nominee from Part I which looks at those who are involved with the fight against the death sentence The guy I am convicted of killing shot me three times before I fired at him When I look back on life and think about it I wonder why those thirteen people can decide if I should die Society does not feel our pain the horror of knowing the exact hour and day that they will set us in the chair and kill us Mr D one of the 11 death row inmates interviewed in Part II Part III interviews family members This thought provoking collection provides much insight on this controversial issue The United States stand on the death penalty in light of U S leadership in human rights appears to be a contradiction to the rest of the world The methods of execution are sometimes extremely painful and not quick An overwhelming percentage of those on death row are impoverished and would not be there if they had other resources besides

desultory and ineffective court appointed counsel These and other important issues are poignantly addressed

Finley, 2024-03-27 This book offers a new perspective on the death penalty in the US examining capital punishment as state crime or state produced harm It addresses the death penalty showing how the state not only authorizes a system and a practice that tortures human beings but is also aware of its deep flaws and chooses not to address them Building on the vast literature on state crime together with case examples and interviews with activists seeking to abolish the death penalty this book offers a new and innovative critique of state punishment in the US It draws on a range of issues and topics such as arbitrariness inadequate counsel racial bias mental illness innocence conditions on death row the protocols and the equipment used for executions It emphasizes the need for abolition of the death penalty and highlights efforts being made to do so with a focus on successful elements of abolition campaigns The Death Penalty as State Crime is essential reading for all those engaged with capital punishment human rights and state crime and will be of interest to criminologists sociologists legal scholars and political scientists alike *Death Row Confessions* Texas Department of Criminal Justice, 2014-05-05 Death Row Confessions Execution Chamber Last Statements from the Files of the Texas Department of Criminal Justice When a person accused of a crime is convicted and sentenced to capital punishment the person can make a final statement or express their last words before being executed Much of the time the last word is an apology to their family family of the victim friends or God Sometimes though a final statement includes words of hatred disgust or defiance You are about to read the touching last statements of 162 convicted criminals from 1984 to the present The statements you are about to read where either read aloud by the convicted prisoner or read from a pre prepared written statement All these statements where spoken in the death chamber while the condemned was being prepared for execution I m not ready to go but I have no choice I sent several letters to my family they ll be very moving when you get them I want to say goodbye again to my boys I know I m missing somebody but if there s anything I have left to say it would be that I wish I had a Shakespearean vocabulary but since I was raised in TDC I missed out on some of my vocabulary If my words can persuade you to discontinue this practice of executing people please do so If the citizens don t do away with the death penalty Texas won t be a safe place to be I have no revenge because hate won t solve anything You all brought me here to be executed not to make a speech That s it Capital Punishment on Trial David M.
