Text, Role, and Context Ann M. Johns, 1997 R sum de l diteur *Text, Role and Context* Ann M. Johns, 1997-06-13 This text explores fundamental issues relating to student literacies and instructor roles and practices within academic contexts It offers a brief history of literacy theories and argues for socioliterate approaches to teaching and learning in which texts are viewed as primarily socially constructed Central to socioliteracy the concepts genre and discourse community are presented in detail The author argues for roles for literacy practitioners in which they and their students conduct research and are involved in joint pedagogical endeavors The final chapters are devoted to outlining how the views presented can be applied to a variety of classroom texts Core curricular design principles are outlined and three types of portfolio based academic literacy classrooms are described *Developing Academic Literacy* British Association of Lecturers in English for Academic Purposes. Conference, 2010 Selected papers presented at the conference held by BALEAP British Association of Lecturers in English for Academic Purposes at the University of Southampton in the spring of 2003 **Academic Literacy Development** Laura-Mihaela Muresan, Concepción Orna-Montesinos, 2021-03-11 This edited book brings together an international cast of contributors to examine how academic literacy is learned and mastered in different tertiary education settings around the world Bringing to the fore the value of qualitative enquiry through ethnographic methods the authors illustrate in depth descriptions of genre knowledge and academic literacy development in first and second language writing All of the data presented in the chapters are original as well as innovative in the field in terms of content and scope and thought provoking regarding theoretical methodological and educational approaches The contributions are also representative of both novice and advanced academic writing experiences providing further insights into different stages of academic literacy development throughout the career span of a researcher Set against the backdrop of internationalisation trends in Higher Education and the pressure on multilingual academics to publish their research outcomes in English this volume will be of use to academics and practitioners interested in the fields of Languages for Academic Purposes Applied Linguistics Literacy Skills Genre Analysis and Acquisition and Language Education Learning from Urban Immigrant Youth About Academic Literacies Jie Park, 2018-05-15 This book reports on a two year long qualitative literacy case study of the academic literacies of first and second generation immigrant youth in an afterschool tutoring program in South Bronx New York Through transcripts of tutoring sessions interview data and youths written work each chapter highlights how youth interpreted and navigated various school assignments and what resources and perspectives they brought to unpacking the meaning and significance of texts and disciplinary discourses By focusing on the immigrant youth themselves and not on the teaching that happens or does not happen inside classrooms this volume provides a unique and much needed vantage point to understanding the academic literacies and engagement of urban immigrant youth **Forum** ,1997 **LGBT Student Negotiations of Academic Literacies** Brian Charles Lewis, 2004 Pragmatics ,2008 Linguistics ,1998 *The*

CATESOL Journal ,2004 *Revista brasileira de lingüística aplicada* ,2011 *Linguistics and Language Behavior Abstracts* ,2000 *Patterns and Variations in Contemporary Written Business Communications in Turkey* Didar Akar,1998 The Economy Principle in English: Linguistic, Literary, and Cultural Perspectives Associazione italiana di anglistica. Congresso,2002 *Academic Writing and Genre* Ian Bruce,2008-04-07 The focus of this book is the use of genre based approaches to teaching academic writing Genre based courses enable second language learners to integrate their linguistic organisational and contextual knowledge in a variety of different tasks The book reviews pedagogical approaches to genre through English for Specific Purposes and Systemic Functional Linguistics to present a synthesis of the current research being undertaken in the field From this theoretical base Ian Bruce proposes a new model of genre based approaches to academic writing and analyses the ways in which this can be implemented in pedagogy and curriculum design *Academic Writing and Genre* is a cutting edge monograph which will be essential reading for researchers in applied linguistics
