The Politically Incorrect Wife:

The Politically Incorrect Wife Connie Grigsby, Nancy Cobb, 2009-10-07 Just what is a politically incorrect wife She is a woman who is married to her husband and not to popular American culture The politically incorrect wife does not buy into the stifling modern day thinking that says Look out for number one Treat your husband no better than he treats you Instead she cultivates a joyful marriage using transformational spiritual principles As formerly politically correct wives with miserable marriages popular speakers and authors Nancy Cobb and Connie Grigsby lead readers confidently beyond the picket lines of the politically correct into a warm rewarding marriage [The Politically Incorrect Guide to the British Empire](#) H. W. Crocker, III, 2011-10-24 Presents an irreverent and humorous look at the four hundred year history of the British empire *The Best Thing I Ever Did for My Marriage* Nancy Cobb, Connie Grigsby, 2010-06-02 Marriage has never been easy But sometimes it takes surprisingly little to yield infinite rewards This eye opening book by marriage experts Nancy Cobb and Connie Grigsby contains humorous and profound true stories of turning points in marriages From brushing her teeth at a different sink to letting her husband finish his sentences each woman s story expresses the staggering impact that simple actions can have on marriages everywhere More fulfilling relationships expanded ministry opportunities and a more intimate walk with God await the readers of this book when they see how God s best for their marriages may be just one small decision away Sometimes the smallest thing can turn a marriage around When Nancy Cobb and Connie Grigsby asked women about the best thing they ever did for their marriages the responses were daringly honest Here are fifty eye opening often humorous true stories including contributions from Cynthia Heald Dee Brestin Rosemary Jensen and Donna Otto that will inspire you with moments that build stronger marriages Bring down walls between you and your husband Adjust to differences in your personalities Deal with the damage and heartbreak of betrayal Go on living when everything goes terribly wrong God s best for your marriage may be one small decision away **The Walk Out Woman** Dr. Steve Stephens, Alice Gray, 2009-01-21 Every woman longs to be appreciated respected and adored but when her needs aren t met within her marriage she could be tempted to walk away As little hurts and disappointments accumulate and her heart hardens a woman s loneliness and vulnerability take over and she might find emotional fulfillment elsewhere perhaps in even a casual encounter with another man When the marriage enters this realm of real danger the woman believes it will be less painful to walk away than try to work on it With heart and wisdom Dr Steve Stephens and Alice Gray offer practical advice for how to stop this epidemic of walk out women They outline the warning signs of severe marital discontent and share how to reconnect with your spouse communicate your hurt and open your heart If both partners are willing to work at it any marriage can be saved Are You Even Thinking About Walking Out I m at the point where I don t think it is worth the effort anymore The only reason I m staying is because of the children Surely God doesn t want me to be this unhappy Every woman longs to be appreciated valued and cared for When these needs go unmet she may be tempted to leave the husband she once

loved but walking out is seldom the path to happiness Like trusted friends Dr Steve Stephens and Alice Gray offer wise and gentle advice to restore hope to your marriage You ll discover proven methods for how you can move toward each other rather than away build up instead of tear down and find love rather than lose it Story Behind the Book Although a growing number of women are walking away from their marriages there are no books to help them realize that this is not the path to happiness A woman s discontentment settles like dust on furniture and although she tries she fails to make her husband understand His responses seem too little and too late Many women mistakenly believe it is easier emotionally to leave the marriage than try to restore it We want a woman to realize that even when her heart seems closed to her husband there is a way to open it and become one again Loss of love does not equal loss of marriage Loss of hope does not mean the relationship should be abandoned

Immovable Laws, Irresistible Rights Christine Pierce,2000 Same sex partnerships Pregnancy through in vitro fertilization Ending one s own life in dignity All are deemed inherently wrong by the standards of natural law ethics but for many people they represent legitimate life choices that are morally right Now a leading feminist critic of the natural law tradition explores the ongoing confrontation between natural law and moral rights to argue that rights constitute a more solid grounding for ethics in human affairs and for feminist thought In this volume Christine Pierce s important essays including the celebrated *Natural Law Language and Women* expand reflect and refine this central controversy Reaching back to Aristotle and Aquinas and drawing on modern papal encyclicals and Supreme Court cases Pierce demonstrates that the natural law tradition with its doctrine of a supposed hierarchy of natural purpose has served to mystify women s nature and thereby justify restricting women to a predetermined social stratum Addressing issues that concern not only feminism but legal theory as well she defends her views on equality and universalization against a growing postmodern critique and presents rights theory as an alternative to an ethics of responsibility based on Aristotelian notions of friendship and trust Through tightly constructed arguments presented in engaging prose Pierce conveys her deep knowledge of legal philosophy and her passion for rights as she takes on such issues as AIDS gay marriage animal liberation and feminist separatism She combats the prevailing view of Plato as sexist and explores Sartre s views of holes and slime She also examines the work of contemporary authors in ecology biology sociobiology and religion to reveal their reliance on nature for ethical conclusions and she criticizes recent efforts to root a feminist natural law in Thomism With natural law concepts now in fashion with many conservatives and even some Supreme Court justices Pierce s essays offer a necessary perspective on where current legal and ethical thinking is headed *Immovable Laws Irresistible Rights* is invigorating reading for all scholars students and interested readers who seek a better understanding of these arguments and the issues affected by them
