One Summer of Surrender Jess Michaels, 2016-11-08

Sleepwalking to Surrender Khaled Ahmed, 2016-08-18

Pakistan is still on the brink of becoming a failed state as a consequence of its decades old practice of using proxy warriors in the region. Because of the weakening of the writ of the state, neither governance nor the economy can function normally. In fact, some say the two strong entities in today's Pakistan are the Taliban and the army. Non-state actors and the extremist terror outfits they control pursue extortion, kidnapping, and murder to fund their activities and receive ideological, financial, and logistical support from the deep state. The army continues to use them in its India-centric agenda. Civilian institutions are intimidated, and individuals who speak out against the terror outfits become targets of their retribution. Violence, not law, increasingly commands human conduct, and the state's willingness to enter into peace talks with the Taliban is viewed as a form of surrender to extremism. Khaled Ahmed is Pakistan's most respected columnist, and his formidable expertise on the ideologies of extremism is internationally acknowledged. In *Sleepwalking to Surrender*, he analyses the terrible toll terrorism has taken on Pakistan and appraises the portents for the future. [The Surrender of Sleeping Beauty Complete Series Box Set](#)

[Lidiya Foxglove](#), 2021-06-01. Tonight I will master every inch of you. And you will probably feel the urge to beg me to stop, but you won't. Will you? I was raised a princess, but a witch's curse would seal my fate. Only one man dared to marry me, the future king of the fae. I'm a long way from home. In this palace, there is no freedom, no solitude. I am his possession. Corseted and gilded, or stripped and bound, either way, I'm his to claim. Anytime. Anywhere. It is the role of the king to dominate his bride publicly, and often I am the living symbol of his strength. But there is no denying his charm, and the power he holds to make me crave him. Even as it leads me to the most dreadful event of all the day, I must submit to him before the eyes of the entire court. However, he has a secret of his own. A secret that will lead me into the arms not just of one man, but two at once: my beloved King Augustus and our loyal guard Count Axel. A forbidden love. None of us can turn away from the witch who cursed me, who lurks in the shadows ready to destroy us all. *The Surrender of Sleeping Beauty* was inspired by the life of Marie Antoinette and my love of fairy tales with a sensual twist. It contains intense sexual scenes and some darker themes, along with much decadence, gardens, and gowns, and a happily ever after that is both bitter and sweet. This series was originally published as the *Queen of the Sun Palace* and collects the following three books: **BOOK ONE: PRISONER OF SILK**, **BOOK TWO: PRISONER OF MIRRORS**, **BOOK THREE: PRISONER OF DREAMS**. **The Book of Life Secrets for Today's World**

Rai Flowers, Rasheed Flowers, 2021-05-09. *The Book of Secrets* is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year. Each day's entry includes a focus point, and that point is emphasized and supported by specific citations from The Bible. The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words. Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique, but rather something that originates

from God's words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought The Call of Intuition Kris Franken,2020-11-08 Unleash Your Deepest Creative Wisdom and Gain a Renewed Zest for Life It's time to integrate your three inner guides intuition instinct and insight into your life in new and groundbreaking ways The Call of Intuition presents a six step practice designed to help you easily and effectively live from an empowered state of self awareness You'll work with chakras crystals mindfulness Spirit Guides prayers and more as you become attuned to the natural flow of universal energy and awaken your full potential Spiritual intuitive Kris Franken teaches you how to consciously connect to intuition through her unique process breathe surrender connect trust honor and nourish Practical hands on techniques and playful exercises accompany each step encouraging you to find the courage and compassion to live your truth and heed your Soul's call This enlightening book helps you open yourself fully to the guidance within and let go of the compulsive desire for total control **Never Too Far** Tom Hudson,2025-06-10 You can't outrun grace Not with a drifting marriage Not with pockets full of poker chips Not with a heart full of regret and a past you don't talk about Tom Hudson didn't plan to ruin his life he just didn't know how to live it Raised in dysfunction hardened by survival and desperate to feel seen he chased success escape and control in all the wrong places drugs deception poker tables and ultimately a federal prison cell But the worst day of his life became the turning point Never Too Far is Tom's raw redemptive true story of running from God breaking under the weight of grief and discovering the freedom that comes through surrender It's for anyone who's ever felt unfixable Unlovable Too far gone This is not a feel good fairytale It's a front row seat to the kind of healing only God can do Inside you'll find Honest stories of rock bottom and redemption Hope for marriages that feel beyond repair Encouragement for those grieving suicide or sudden loss Biblical truth for anyone longing for peace purpose and a new start Whether you're buried in shame numb from loss or simply pretending you're okay this book is for you Because no matter how broken your story feels Grace still reaches Hope still heals And you are Never Too Far *Burgoyne's Surrender* George William Curtis,1877 Simply One Breath at a Time Dona Anderson,2014-01-26 Learn how to bring balance relaxation breath and meditation into your life Simply One Breath at a Time offers you sixty five different titles full of words thoughts and visualizations to linger on explore and experience Dona grew up with open spaces and throughout the pages of this book she will help you to open up space to relax breathe better and stretch out past the limits in your daily lives even if it is only for a few minutes Whether you're new to relaxation techniques or are practicing and sharing you will find the variety and ease of these gentle relaxations inviting refreshing and nurturing Become a better you Make yourself a priority and use Simply One Breath at a Time for your own self healing and share it to help improve the lives of others Simply One Breath at a Time offers us such simple truths of how to live this life with presence and ease This book is both practical and beautiful in
