Slow Moe:

A Cry for Help John Duffield, 2009-07 *A Cry For Help* provides the solution to a very old puzzle. Namely why is it that millions of people desperate for happiness can't find it in thousands of self help books. Every one of these books has tools in it that can help you and I make our dreams come true. So what on earth can be wrong? The answer is unbelievably simple but very difficult to believe. It's this: By far most of us have no idea what our own dreams are. To make our dreams come true after all we must know what those dreams are first. *A Cry For Help* reveals that a single sinister fear of being judged is keeping our dreams from us and how to take it away. Once this fear is removed our dreams flow back into our lives like water and every single self help book can help make them real. John Duffield

The Absolutely True Story of the Homemade Beatles Tie Michael J. Bellito, 2022-12-13 *The importance of baseball in the author's life is evident in his short story, "The Legacy of the Diamond." I park the Dodge station wagon in front of Graceland Cemetery where Chicago history is carved into large granite tombstones. Famous names adorn these structures: Carter, Harrison, mayor of Chicago during the Haymarket Square riots; Jack Johnson, the first black heavyweight champion; and architect Mies van der Rohe. The oddest marker sits atop the grave of William A. Hulbert, the dynamic organizer of baseball's oldest league. It is a baseball-shaped headstone with the names of the eight original National League cities etched into white stone. Legend has it that on a clear summer's day, the cheers from Wrigley Field, a half mile away, carry on a Lake Michigan breeze to the cemetery and keep Hulbert resting in peaceful bliss.* In the book's first tale, *The Absolutely True Story of the Homemade Beatles Tie*, the 14-year-old author is coming of age in Middle America. It is the winter of 1964. January to be precise. When our story begins, the United States was still mourning the loss of its dashing young president to a hail of bullets. My family, like so many others, had a difficult time celebrating Thanksgiving and Christmas in the weeks following the majestic funeral. My father was deeply touched by John Kennedy's death. After all, they were the same age, they had fought in the same war, and they were raising their families at the same time. A void was left for my dad's generation in America that could not be filled. Herein rest ten short stories, four new, six old. From a boy's adventure with his grandfather to a tragedy set in the present day to a magical Beatles tie made from scratch, these tales were written to captivate readers of all ages. In the book's first tale,

The Homemade Beatles Tie turns into something magical when it's worn to the first dance turning the author into the most popular guy at the party This is the sixth book by Michael J Bellito He taught speech and English classes at John Hersey High School in Arlington Heights Illinois and also taught at Harper College in Palatine Illinois His first book was Ten Again a story about 1960s America Then came First Time Around a story about a young boy falling in love for the first time Next was Abner's Story a tale of a senior citizen and two young boys following the Cubs baseball team The Silent Journey was a nonfiction book about recovering from a stroke Last is The Hilltop about a young man's days in college from 1968 to 1972

To the Field of Stars Kevin A. Codd, 2008-03-18 I am about to share here a story about stars that dance If the very thought of seeing stars dance piques your curiosity at some deep level of your soul then pay attention to what follows for the walk to the Field of Stars to Santiago de Compostela is a journey that has the power to change lives forever from the introduction Pilgrimage is a strange notion to our modern practical minds How many of us have walked to a distant holy place in order to draw nearer to God Yet the pilgrimage experience is growing these days in various parts of the world Seeking to take stock of his life Kevin Codd set out in July 2003 on a pilgrimage that would profoundly change his life To the Field of Stars tells the fascinating story of his unusual spiritual and physical journey on foot across Spain to Santiago de Compostela the traditional burial place of the apostle James the Greater Each brief chapter chronicling Codd's thirty five day trek is dedicated to one or two days on the road Codd shares tales of other pilgrims his own changes of perspective and his challenges and triumphs along the way all told with a disarming candor Seen through the eyes of a Catholic priest who honors the religious worldview that originally gave rise to these medieval odysseys pilgrimage comes to life and takes on new meaning in these pages
