The Plot:

The Plot Jean Hanff Korelitz, 2021-05-11 NEW YORK TIMES BESTSELLER The Tonight Show Summer Reads Winner A New York Times Notable Book of the Year Insanely readable Stephen King Hailed as breathtakingly suspenseful Jean Hanff Korelitz's *The Plot* is a propulsive read about a story too good not to steal and the writer who steals it Jacob Finch Bonner was once a promising young novelist with a respectably published first book Today he's teaching in a third rate MFA program and struggling to maintain what's left of his self respect he hasn't written let alone published anything decent in years When Evan Parker his most arrogant student announces he doesn't need Jake's help because the plot of his book in progress is a sure thing Jake is prepared to dismiss the boast as typical amateur narcissism But then he hears the plot Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker's first novel but it never comes When he discovers that his former student has died presumably without ever completing his book Jake does what any self respecting writer would do with a story like that a story that absolutely needs to be told In a few short years all of Evan Parker's predictions have come true but Jake is the author enjoying the wave He is wealthy famous praised and read all over the world But at the height of his glorious new life an e mail arrives the first salvo in a terrifying anonymous campaign You are a thief it says As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers he begins to learn more about his late student and what he discovers both amazes and terrifies him Who was Evan Parker and how did he get the idea for his sure thing of a novel What is the real story behind the plot and who stole it from whom

[The Plot](#) Jean Hanff Korelitz, 2021-05-11 From the author of *The Undoing* Remarkable Stephen King Breathtakingly suspenseful Megan Abbott Smart surprising and stealthily unsettling The Times When a young writer dies before completing his first novel his teacher Jake himself a failed novelist helps himself to its plot The resulting book is a phenomenal success But what if somebody out there knows Somebody does And if Jake can't figure out who he's dealing with he risks something far worse than the loss of his career What readers are saying It builds to a legitimately great ending that I may never forget Highly recommended This book is thrilling exciting and totally nerve racking It definitely had me on the edge of my seat and reading well past my bedtime Addictive I read it quickly without coming up much for air Wow This book blew me away I read it so fast and the ending is so good No spoilers just read it I was pleasantly surprised to find that the best plot ever really is THAT good *The Plot* was a NYT bestseller for w/c 6th June
