**Yama, The Pit: A Novel in Three Parts** Aleksandr Ivanovich Kuprin, 2020-09-28 With us you see Kuprin makes the reporter Platonov his mouthpiece say in Yama they write about detectives about lawyers about inspectors of the revenue about pedagogues about attorneys about the police about officers about sensual ladies about engineers about baritones and really by God altogether well cleverly with finesse and talent But after all all these people are rubbish and their life is not life but some sort of conjured up spectral unnecessary delirium of world culture But there are two singular realities ancient as humanity itself the prostitute and the moujik And about them we know nothing save some tinsel gingerbread debauched depictions in literature Tinsel gingerbread debauched depictions Let us consider some of the ways in which this monstrous reality has been approached by various writers There is first the purely sentimental Prevost's *Manon Lescaut* Then there is the slobberingly sentimental Dumas *Dame aux Camélias* A third is the necrophilically romantic Louys *Aphrodite* The fertile Balzac has given us no less than two the purely romantic in his fascinating portraits of the *Fair Imperia* and the romantically realistic in his *Splendeurs et Misères des Courtisanes* Reade's *Peg Woffington* may be called the literary parallel of the costume drama Defoe's *Moll Flanders* is honestly realistic Zola's *Nana* is rabidly so There is one singular fact that must be noted in connection with the vast majority of such depictions Punk or bona roba lorette or drab put her before an artist in letters and lo and behold ye such is the strange allure emanating from the hussy that the resultant portrait is either that of a martyred Magdalene or at the very least has all the enigmatic piquancy of a *Monna Lisa* Not a slut but what is a hetaera and not a hetaera but what is well nigh Kypris herself I know of but one depiction in all literature that possesses the splendour of implacable veracity as well as undiminished artistry where the portrait is that of a prostitute despite all her tirings and trappings a depiction truly deserving to be designated a portrait the portrait supreme of the harlot eternal Shakespeare's *Cleopatra* Furthermore it will be observed that such depictions for the most part are primarily portraits of prostitutes and not pictures of prostitution It is also a singular fact that war another scourge has met with similar treatment We have the pretty spotless grenadiers and cuirassiers of Meissonier in plenty Vereshchagin is still alone in the grim starkness of his wind swept snow covered battle fields with black crows wheeling over the crumpled masses of gray And curiously enough it is another great Russian Kuprin who is supreme if not unique as a painter of the universal scourge of prostitution per se and not as an incidental background for portraits True he may not have entirely escaped the strange allure aforementioned of the femininity he paints for femininity even though fallen corrupt abased is still femininity one of the miracles of life to Kuprin the lover of life But even if he may be said to have used too much of the oil of sentimentality in mixing his colours for the portraits his portraits are subordinate to the background and there his eye is true and keen his hand steady and unflinching his colours and brushwork unimpeachable Whether like his own Platonov who may be called to some extent an autobiographical figure and many of whose experiences are Kuprin's own came upon the brothel and gathered his material

unconsciously without any ulterior thoughts of writing we do not know nor need we rummage in his dirty linen as he puts it

**Yama The Pit** Александр Иванович Куприн, 1922 A social novel about the horrors of prostitution Yama (the Pit) Aleksandr Ivanovich Kuprin, 2021 *Yama* Aleksandr Kuprin, 2020-12-21T23:13:16Z Yama The Pit recounts the lives of a group of prostitutes living and working in Anna Markovna's brothel in the town of K. The women, subject to effective slavery through the removal of their papers and onerous debts, act out a scene of easy affability every evening for the part ignorant, part monstrous clients while keeping secret their own pasts and wished for futures. The book was Kuprin's attempt to denormalize the cultural ambiguity of the legal brothels of the time. His dedication to mothers and youths expresses his desire that there should no longer be a silent acceptance of the actions of the fathers, husbands and brothers. The novel was notable for portraying the inhabitants of the brothels as living, breathing people with their own hopes and desires, not purely as a plot point or scenario. The critical response was mixed; many found the subject matter beyond the pale. Kuprin himself placed his hopes on a favourable review from Leo Tolstoy which didn't come, but there was praise for Yama as both social commentary and warning and an appreciation for Kuprin's attempt to detail the everyday lives of his subjects. The novel had a troubled genesis, with the first part taking nine years between initial proposal and first publication, the second and third parts followed five years later. It was a victim of the Russian censors who tellingly disapproved more of scenes involving officials visiting the brothels than the brothels themselves. It was only later, during preparations for an anthology of his work, that an uncensored version was allowed to be released. This edition is based on the translation to English by Bernard Guilbert Guerney of that uncensored version and was first published in 1922. This book is part of the Standard Ebooks project which produces free public domain ebooks. *Yama: The Pit* Aleksandr Ivanovich Kuprin, 1929 *Yama (The Pit)* Alexandra Kuprin, 2002-12 Annotated Bibliography of Geologic and Soils Literature of Western North Pacific Islands United States. Army. Forces, Far East, 1956 **Coal Mining Communities and Gentrification in Japan** Tai Wei Lim, Naoko Shimazaki, Yoshihisa Godo, Yiru Lim, 2019-05-06 This book offers a multidisciplinary analysis of approach in the field of energy studies of Japan, examining post-closure coal mining towns in Japan and their gentrification. It considers the impact of closures on the agricultural industry, the re-absorption of laid-off coal miners into service and industrial sectors, and the gentrification of former coal mines into agricultural farms and communities. It also considers the historical process of gentrification in terms of origins, social history, continuity, discontinuity, and cooperation/resistance. The historical background of coal mine closures, analyses nostalgic recollection about mine closures, and Sakubei's UNESCO drawings of life in the coal mines and other cultural materials related to coal energy and the mining industry in general in Japan. **Yama [The Pit], a Novel in Three Parts** A. **Yama (The Pit).** Alexandra Kuprin, 2003      **Modernism in Kyiv** Irena Makaryk, Virlana Tkacz, 2010-05-22

The study of modernism has been largely focused on Western cultural centres such as Paris, Vienna, London and New York. Extravagantly illustrated with over 300 photos and reproductions, *Modernism in Kyiv* demonstrates that the Ukrainian capital was a major centre of performing and visual arts as well as literary and cultural activity. While arguing that Kyiv's modernist impulse is most prominently displayed in the experimental work of Les Kurbas, one of the masters of the early Soviet stage, the contributors also examine the history of the city and the artistic production of diverse groups including Ukrainians, Russians, Jews and Poles. Until now a silent presence in Western accounts of the cultural topography of modernism, multicultural Kyiv is here restored to its historical intellectual and artistic complexity. Excerpts taken from the works of artists, writers and critics as well as the numerous illustrations help give life to the exciting creativity of this period. The first book-length examination of this subject, *Modernism in Kyiv* is a breakthrough accomplishment that will become a standard volume in the field.

*Yama* Aleksandr Kuprin, 2020-12-12

A novel about prostitution in Moscow. From the introduction: It must not be thought, despite its locale, that Kuprin's *Yama* is a picture of Russian prostitution; solely, it is intrinsically universal. All that is necessary is to change the kopecks into cents, pennies into sous, or pfennings into pence, compute the versts into miles or metres. Jennka may be Eugénie or Jeannette, and for *Yama* simply read Whitechapel, Montmartre or the Barbary Coast. That is why *Yama* is a tremendous, staggering and truthful book, a terrific book. It has been called notorious, lurid, even oleographic. So are perhaps the picaresques of Murillo, the pictorial satires of Hogarth, the bizarreries of Goya.

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
