Smuts A Reappraisal:

Smuts Bernard Friedman, 1975 Under Smuts's Rule Bongani Ngqulunga, 2025-11-05 Jan Smuts is revered by some as a national and international statesman but he is condemned by others as an architect of segregation In his new book prize winning author Bongani Ngqulunga examines how Smuts's political life affected black South Africans The book considers Smuts's role in the treaty ending the Anglo Boer War and in the creation of the Union of South Africa and how these affected the rights of black people It tracks Smuts's approach to the Native question as a minister under Louis Botha as prime minister from 1919 to 1924 and from 1939 to 1948 and in opposition to and then fusion with J B M Hertzog's National Party Analysing letters speeches and other documents the book unpacks Smuts's thinking and how it affected his approach to the franchise segregation and suppression of dissent Tracing the currents in black politics it presents the views of African leaders on Smuts and his policies figures such as Sol Plaatje D D T Jabavu Z K Matthews A B Xuma and later on Albert Luthuli and Nelson Mandela The book demonstrates how Smuts evolved in his views eventually coming to recognise that segregation had failed But the reforms he introduced in the 1940s were too little too late and were swept away by the National Party and its policy of apartheid Giving a balanced view that is both respectful and critical Under Smuts's Rule is a vital addition to the literature on Smuts and to South African history Botha, Smuts and the Great War Antonio Garcia, Ian van der Waag, 2023-10-30 In Botha Smuts and the Great War 1914 1918 authors Antonio Garcia and Ian Van Der Waag conducted painstaking research in South Africa and the United Kingdom to produce this first of a kind volume on the wartime roles of South African prime minister General Louis Botha and his deputy General Jan Smuts These very different men appealed to different audiences Botha's nuance and emotional intelligence complemented Smuts's intellectualism Thrown into a world conflagration in August 1914 and facing internal rebellion and the threat posed by German troops on the borders they led South Africa's Union Defence Force Both Botha and Smuts commanded in the field Steadily the South African army they commanded benefiting from wartime training sometimes in the field gained resilience experience and battle hardiness adapting to the conditions of the campaigns and the demands of the tasks South Africa's campaigns were complex and divergent starting with the invasion of neighbouring German South West Africa to neutralise enemy radio stations and so aid the security of the South Atlantic Suddenly suspended following the outbreak of the Afrikaner Rebellion the campaign recommenced in January 1915 Following its conclusion an infantry brigade raised for Western Front service was diverted to Egypt before facing near annihilation at Delville Wood Simultaneously a large South African force fighting alongside British African and Indian forces overcame German resistance in East Africa whilst a brigade of field artillery and later the Cape Corps served in Egypt and Palestine Moreover approximately 6 500 South Africans served in the British Army Royal Flying Corps Royal Air Force and in the Royal Navy Although lionised during the war by a British public hungry for heroes there is a different side to Botha and Smuts Shunned by Afrikaner nationalists at the time they have remained divisive figures

Responsible for the enactment of the Land Act of 1913 which shaped South Africa's socio-economic and political landscape. Botha's statues in Cape Town, Durban, and Pretoria were vandalised on a number of occasions between 2015 and 2022, and there were recent calls for Smuts's statues to be removed. Behind Botha's charming attractive façade and Smuts's stoic machine were two very human, imperfect, and quite probably inconsiderate men. Together they provide a wonderful lens through which to examine the potent forces of the early twentieth-century world and the country they hoped to forge. Myopic compatriots had constrained their plans, but it was the outbreak of war in 1914 that offered the most significant opportunities and brought the most adverse challenges. They fought insurmountable odds and achieved great victories at home and abroad, but also made startling errors and ultimately, in classical fashion, risked being crushed by the weight of the world they tried to create.

The Holistic Smuts Piet Beukes, 1989. A book about a person well in advance of Humanity of his time. Written in a way that opens up a very complicated subject to the ordinary person. The book shows that this was a person that cared about others but was misunderstood by many in his country due to politics and not understanding spirituality. Smuts pointed out that spirituality was necessary in a person's self-development to be able to play a meaningful role in society. *The 20th Century O-Z* Frank N. Magill, 2013-05-13. Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Racial Segregation and the Origins of Apartheid in South Africa, 1919-36 Saul Dubow, 1989-07-03. This analysis of the historical development of racial segregation in South Africa between the World War I and II casts light on the period immediately before the advent of modern-day apartheid and provides an account of the ideological, political, and administrative origins of apartheid. Segregation is seen here as a complex combination of ideas and policies which aimed to entrench and legitimize the basis of white domination in South Africa. The authors feel that in essence it represented an attempt to uphold white supremacy by containing the powerful social forces unleashed by South Africa's rapid process of

industrialization The work is based on archival research in South Africa and aims to draw upon some of the most recent scholarship

The Politics of Tragicomedy Gordon McMullan, Jonathan Hope, 2021-03-30 The Politics of Tragicomedy Shakespeare and After offers a series of sophisticated and powerful readings of tragicomedy from Shakespeare's late plays to the drama of the Interregnum Rejecting both the customary chronological span bounded by the years 1603-42 which presumes dramatic activity stopped with the closing of the theatres and the negative critical attitudes that have dogged the study of tragicomedy the essays in this collection examine a series of issues central to the possibility of a politics for the genre Individual essays offer important contributions to continuing debates over the role of the drama in the years preceding the Civil War the colonial contexts of *The Tempest* the political character of Jonson's late plays and the agency of women as public and theatre actors The introduction presents a strong challenge to previous definitions of tragicomedy in the English context and the collection as a whole is characterized by its rejection of absolutist strategies for reading tragicomedy This collection will prove essential reading for all with an interest in the politics of Renaissance drama for specialists in the work of Shakespeare Fletcher and Jonson for those interested in genre and dramatic forms and for historians of early Stuart England

Germany and the Union of South Africa in the Nazi Period Robert M. Citino, 1991-04-30 This is the first study to examine Nazi German foreign policy towards the Union of South Africa from 1933-1939 Making extensive use of unpublished primary source German documents Robert Citino focuses on the activities of the German embassy and consulates within South Africa in order to answer four basic questions What role did race and racial theory play in German foreign policy towards South Africa Did Germany attempt to exploit South African yearnings for international respect and if so how Did the Germans seek to take advantage of deep divisions within South African society between British and Afrikaners Finally to what extent was the German Foreign Office Nazified in the 1930s By concentrating on the policies and views of German diplomatic personnel within a single country rather than on Hitler's grandiose proclamations and speeches on world affairs Citino offers a closer look at Nazi German foreign policy operations than is usually available The study is organized chronologically and begins with an overview of German South African relations before 1933 Subsequent chapters address early tensions and South African domestic developments in the years leading up to the outbreak of war Specific topics covered include the role played by the former German colony of Southwest Africa in relations between the two states the hostile attitude of much of the South African press towards Nazi Germany the boycott of German firms by the South African Jewish community the Smuts

Hertzog fusion the rise of Malan and his Purified nationalist party the growth of anti-Semitism in South Africa and the concurrent growth in Afrikaner national consciousness and South African attitudes towards the major European crises of the 1930s Citino concludes by analyzing Germany's inability to keep South Africa neutral in 1939 and the entry of the Union into the war at England's side Students of modern German South African and twentieth century diplomatic history will find Citino's work an enlightening contribution to the literature of Nazi Germany's foreign relations **The International Journal of African Historical Studies** ,1982 **South African Journal of Philosophy** ,2000 Workers, War & the Origins of Apartheid Peter Alexander,2000 Contradicting earlier accounts this study demonstrates that wartime mechanization and black advancement into semi skilled positions were limited and cannot explain subsequent support for apartheid Pub desc Bookseller and the Stationery Trades' Journal ,1975 Bibliography of Historical Works Issued in the United Kingdom, 1971-1975 ,1977 Bibliography of Historical Works Issued in the United Kingdom ,1977 Connecticut journal of international law ,1993
