Snaffles John Welcome, Rupert Collens, 1987 *Snaffles* John Welcome, Rupert Collens, 1987 **Dictionary of British Cartoonists and Caricaturists** Mark Bryant, Simon Heneage, 2022-01-25 Originally published in 1994 this dictionary provides a unique who's who of the major figures in the world of British cartoons and caricatures. It was the first book to encompass the entire field from c 1730 when Hogarth published the first of his modern moral pictures to 1980. In addition to describing the careers and achievements of the artists and the characteristics of their styles more than 500 entries give details of their publications, their illustrations to books and periodicals, exhibitions of their work, public collections in which their work is represented and literature on or referring to them. More than 150 illustrations are included. This is a comprehensive reference work and will be of interest to social and political historians as well as cartoon and caricature enthusiasts.

Six Centuries of Foxhunting M. L. Biscotti, 2017-06-23 Hunting literature had its beginnings as early as the fourteenth century when nobles hunted stag, bear, fox and other game on horseback. As foxhunting grew in popularity, literary works that covered the sport flourished as well. In *Six Centuries of Foxhunting: An Annotated Bibliography* M. L. Biscotti has compiled all books produced in Great Britain and the United States that pertain to or mention foxhunting with hounds. Arranged alphabetically by author, more than 2000 titles are included. Each entry features details such as place and year of publication, publisher, book size, page count, illustrations and binding. Nearly every title is also annotated with a description of the book's contents and biographical sketches are provided for the most notable authors. Narratives, histories, illustrated works, verse, fiction and even anti-hunting literature all have their place in this volume. *Six Centuries of Foxhunting* also features more than thirty images of book covers and foxhunting illustrations. With appendixes that contain author title and illustrator time lines and separate author and title indexes, this comprehensive bibliography is a valuable resource for researchers, book dealers and collectors and foxhunters.
