**John Gregory Bourke**

## Snake Dancer:

**The Snake-dance of the Moquis of Arizona, Being a Narrative of a Journey from Santa Fé, New Mexico, to the Villages of the Moqui Indians of Arizona ...** John Gregory Bourke,1884     **Snake Dance** Patrick Marnham,2013-11-07

The terrifying first use of nuclear weapons over Hiroshima and Nagasaki in August 1945 was the most controversial act of warfare in history dramatically ending the Second World War but ushering in the age of mass destruction Yet it was also the climax of a story that extends beyond Japan and Washington the culmination of decades of scientific achievement and centuries of colonial exploitation Snake Dance is the account of a journey that turned into a quest to discover how humanity reaches this point Patrick Marnham travels from the opulent nineteenth century palaces of King Leopold II of Belgium built with riches plundered from the Congo to the lethally derelict nuclear reactor of modern day Kinshasa He follows the shipment of Congolese uranium to the deserts of New Mexico for the Manhattan Project s secret test detonation Here he uncovers the legacies of Robert Oppenheimer and Aby Warburg two mad geniuses who confronted the devastating power of twentieth century science in very different ways Both men travelled to New Mexico Oppenheimer was honoured for buiding a bomb the ancestor of weapons that have enslaved humanity Warburg condemned to obscurity and confined to a mental hospital regained his sanity by studying the rituals of the Native Americans of the Southwest who for thousands of years practiced the ritual of the snake dance in an attempt to harness the power of lightening And it was in New Mexico at Los Alamos that the ultimate act of playing God was realised The circle is closed in Japan Faced with the catastrophe at the Fukushima Nuclear Plant in March 2011 scientific man like the snake dancers is faced with a power beyond his control Spanning three continents and the history of civilisation Snake Dance is at once an intrepid intellectual adventure and a wake up call for mankind

*The Snake-dance of the Moquis of Arizona* John Gregory Bourke,1884     **The Moki Snake Dance** Walter Hough,1899 This work by ethnologist Walter Hough describes the Snake Dance ritual performed by the Hopi of the Walpi pueblo Commissioned and published by the Santa Fe Railroad to promote tourism to Arizona and the Southwest the ritual is presented voyeuristically as an exotic performance for European American viewers to experience Includes prices of travel from the nearest railway stations to various destinations and railroad maps     *Indian Dances of North America* Reginald Laubin,Gladys Laubin,1989 Descriptions of the dances costumes body decorations and musical accompaniment supplement information on the cultural background of Indian dancing     **A Central American Ceremony which Suggests the Snake Dance of the Tusayan Villagers** Jesse Walter Fewkes,1893     **Ethnomusicology of the Flathead Indians**

Alan Merriam,2017-09-29 All people in no matter what culture must be able to place their music firmly in the context of the totality of their beliefs experiences and activities for without such ties music cannot exist This means that there must be a body of theory connected with any music system not necessarily a theory of the structure of music sound although that may be present as well but rather a theory of what music is what it does and how it is coordinated with the total environment both

natural and cultural in which human beings move The Flathead Indians of Western Montana just over 26 000 in number as of the 2000 census inhabit a reservation consisting of 632 516 acres of land in the Jocko and Flathead Valleys and the Camas Prairie country which lie roughly between Evaro and Kalispell Montana The reservation is bounded on the east by the Mission Range on the west by the Cabinet National Forest on the south by the Lolo National Forest and on the north by an arbitrary line approximately bisecting Flathead Lake about twenty four miles south of Kalispell The area is one of the richest agricultural regions in Montana and fish and game are abundant The Flathead are engaged in stocking timbering and various agricultural enterprises For the Flathead the most important single fact about music and its relationship to the total world is its origin in the supernatural sphere All true and proper songs particularly in the past owe their origin to a variety of contacts experienced by humans with beings which though a part of this world are superhuman and the source of both individual and tribal powers and skills Thus a sharp distinction is drawn by the Flathead between what they call make up and all other songs Merriam s pioneering work in the relationship of ethnography and musicology remains a primary source in this field in anthropology

**The Snake Ceremonials at Walpi** Jesse Walter Fewkes,1894 *Tusayan Snake Ceremonies* Jesse Walter Fewkes,1897

*Snake Dance* Linda Mariz,1992 The author of Body English brings back sexy savvy P I Laura Ireland in an exciting mystery set in Louisiana s Cajun country Laura is called in when a dead body is found at a fmily reunion and learns that investigating can be dangerous work especially when the detectives involved are among the deceased

**The Journal of American Folklore** ,1890 **Primitive Trehphining in Peru** Manuel Antonio Muñiz,W J McGee,1897 *The Moki*

*Snake Dance* Walter Hough,1903 Pagan ceremony of the Pueblo Indians of Tusayan Arizona with incidental mention of their life and customs

**An Outline of the Documentary History of the Zuñi Tribe** Adolph Francis Alphonse Bandelier,1892

**The American antiquarian and oriental journal** ,1895 *American Antiquarian* ,1895 *The American Antiquarian and Oriental Journal* Stephen Denison Peet,J. O. Kinnaman,1895

**Annual Reports** ,1900 *The Juvenile Instructor* ,1894

NINTEENTH ANNUAL REPORT OF THE BUREAU OF AMERICAN ETHNOLOGY 1897-98 ,1900
