## Snapshots Of Hope:

*Snapshots of Hope* Richmond Webster, 2005-09-01 *Snapshots of Hope* is a series of reflections on hope a timely subject in today's world Written by an excellent storyteller this collection features stories of ordinary people trying to find hope in the midst of chaos challenging times and everyday living A little girl a crossing guard at school gets a spot where no one ever needs help so she turns her job into one of waving all at the cars and welcoming everyone as they come to school An old man who stubbornly sits on a rocking chair in his driveway in the midst of a flooded town gives the rest of the town's residents the courage to come home and start cleaning up Hope it would seem is everywhere even in the most unlikely places Told in a simple and charming voice *Snapshots of Hope* will provide inspiration and a few giggles for its readers *St. George & the Dragon* Louis Napoleon Parker, 1890

**Three Roses and a Thorn** Rebecca M. Elizondo, 2023-06-08 *Three Roses and a Thorn* is the stunning debut of an innovative storyteller It is the story of three generations of Latina women coming to terms with addictive behaviors dysfunctional traits and the representational similarities of being fatherless daughters Rebecca M Elizondo writes from the heart with an optimistic sarcasm Alma the grandmother an uncompromising 89 year old woman battling the final stages of Alzheimer's who aims to make sure her tribe is taken care of after she dies Esperanza a carefree optimistic force also known as Hope has diligently journaled her whole life including the struggles of caring for her and realizing her daughter will soon leave the nest Gabriella an outspoken jovial young woman who brings laughter into everyday life must decide whether to begin a new start on a great opportunity as a journalist From the time Hope was a child Mother's Day was celebrated at the family beach house In reminiscence Alma recalls the days when she was raised in Mazatlán Mexico before immigrating with her five sons to the United States Trying to reconcile what she believes about love her whole life with what she doesn't know about why family secrets exist Keeping this balance is essential for Hope when she navigates the inevitable of her mom's illness and letting her daughter go simultaneously A realization that they are all in this together will ultimately ensure the pain of the past and future The turbulent cycle of inherited traits and life complications is dismantled when Rebecca depicts a family of women whose bond is impenetrable and is battling Alzheimer's It is through her work she has bridged the old and new allowing a better understanding of what it means to be a Mexican woman which is to confront adversity with strength and dignity
