**Michelle Overstreet**

## **So You Want To Be A Real Estate Agent A Look Befo:**

So You Think You Want to Sell Real Estate Michelle Overstreet,2010-03-11 This book is designed to give you a realistic idea of the marketing time and efforts that you will spend learning the real estate business Youll want to ask questions before choosing an employing broker about their training marketing and record keeping requirements Youll come to realize that youll need to spend hours researching what role the title companies play vs the role of the lender in your real estate transactions Learn to read a Preliminary Title Report and ask about the prorations of taxes insurances and interest from the title companies Ask several lenders about loan programs and ask to sit in while your customer is shopping for their loan Know the differences and requirements and learn to pre qualify just by having a conversation with your potential buyer This book gives several anecdotes as tools of what you might expect when dealing with the emotional aspect of the different personalities including your own reactions More importantly this book will give a simple understanding of real day to day experiences and the challenge of being a sales person vs going out on your own to broker an office and the unlimited income potential real estate has to offer

Creating a Life Together Diana Leafe Christian,2003-06-01 Everything you need to know to create an intentional community from scratch An intentional community is a group of people who have chosen to live or work together in pursuit of a common ideal or vision An ecovillage is a village scale intentional community that intends to create ecological social economic and spiritual sustainability over several generations The 90s saw a revitalized surge of interest in intentional communities and ecovillages in North America the number of intentional communities listed in the Communities Directory increased 60 percent between 1990 and 1995 But only 10 percent of the actual number of forming community groups actually succeeded Ninety percent failed often in conflict and heartbreak After visiting and interviewing founders of dozens of successful and failed communities along with her own forming community experiences the author concluded that the successful 10 percent had all done the same five or six things right and the unsuccessful 90 percent had made the same handful of mistakes Recognizing that a wealth of wisdom were contained in these experiences she set out to distill and capture them in one place Creating a Life Together is the only resource available that provides step by step practical how to information on how to launch and sustain a successful ecovillage or intentional community Through anecdotes stories and cautionary tales about real communities and by profiling seven successful communities in depth the book examines the successful 10 percent and why 90 percent fail the role of community founders getting a group off to a good start vision and vision documents decision making and governance agreements legal options finding financing and developing land structuring a community economy selecting new members and communication process and dealing well with conflict Sample vision documents community agreements and visioning exercises are included along with abundant resources for learning more
