**Financial Emergencies** Tatyana Guzman, Natalia Ermasova, 2022-11-30 It is difficult to find someone who has not heard about the Puerto Rico Detroit Michigan or Orange County California bankruptcies. While guides for responsibly managing government finances exist problems often originate not because of poor financial reporting or financial deficiencies but because issues external to financial wellbeing arise such as economic demographic political legal or even environmental factors. Exacerbating the problem there is not much advice in the existing literature on how to act when municipalities face financial struggles. Filling this important gap this book explores fiscal health and fiscal hardships municipal defaults and bankruptcies and many other aspects to help guide local governments during fiscal distress. Fiscal hardships negatively affect the quality and availability of public goods and services and consequently the wellbeing of residents and businesses living and working in distressed municipalities. Turned off streetlights unmaintained public parks potholes inconsistent garbage pickup longer response time from emergency services and multiple other issues that residents of the struggling municipalities deal with lead to higher crime rates lower quality of K 12 education dangerous road conditions lower housing values outmigration of wealthier population and numerous other problems. The COVID 19 pandemic put additional unprecedented pressure on municipal finances nationwide. In this book authors Tatyana Guzman and Natalia Ermasova evaluate distressed cities and municipalities and provide practical recommendations on improving their financial conditions. What are conditions and signs to look for to not to find yourself in similar situations. What can be done if your municipality is already experiencing fiscal hardships. What are the consequences of fiscal misfortunes. How does one exit a fiscal emergency. This book answers these and other questions and serves as a guide to fiscal health and prosperity for U S municipal
