## **The Pier:**

*The Pier* Darren Lovick,2022-08-01 Over unbridled waves a young man ventures down a massive wooden pier pursuing the beauty in the sea As the cool summer breeze pushes through his hair he ponders his reflection upon the tranquil surface and asks Who am I He never imagined asking a single question would unveil a treacherous seascape Fierce storms darken a pristine sky as branches descend from the pier and charade temptation as truth Incited by a submerged deadly foe delusion desire deception and dread come to life Uncertain of his path the young man finds insight for his journey in an unexpected friendship with a frail homeless man Unraveling clues cloaked in paradox the young man must choose to reside upon the pier or battle the predator lurking in the depths As the young man weathers the seasons of life is the seascape only what he perceives or is there more Will he find the answers in the sea Will he know the pier      **The Pier Falls** Mark
