Smuts The Patriot:

Forgotten Patriot J. Lee Thompson, 2007 This work covers the entire sweep of Milner's career exploring fully in themselves overlooked areas including Milner's place in the newspaper information milieu his attempts to bring working men into the Unionist fold before during and after the Great War his conspiratorial role in the 1914 Ulster Crisis his key but mostly forgotten place in the First World War the Peace of Paris and throughout his private life The book reveals as has no other relationships with Margot Tennant later Asquith to whom Milner first proposed marriage his mistress Cecile Duval the novelist Elinor Glyn and his two decades long liaison with Violet Cecil who became his wife in 1921 only four years before Milner's death **BOOK JACKET**

The Boer War Fred R. van Hartesveldt, 2000-05-30 One hundred years after the Boer War the British continue to debate what went wrong while the war has significant nationalist overtones in today's South Africa This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War now sometimes called the South African War The bibliography focuses on the military history but also includes some historical accounts of the political debate The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one Historiographical questions concerning the Boer War are numerous Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization Questions also revolve around British imperialism and the scramble for Africa Frequently called the second war for freedom by South African authors the war was the reason that South Africa unlike other British colonies gained independence without majority rule This makes the war of continuing relevance to the turmoil in South Africa the collapse of the minority government and the continuing problems of the current government This book will provide a useful tool for those wishing to research the war

The Last Hurrah Graham Viney, 2019-04-18 Young Elizabeth captures in vivid detail perhaps the single most important formative experience in Queen Elizabeth's life the 1947 royal tour of southern Africa with her parents King George VI Queen Elizabeth and Princess Margaret during which she celebrated her twenty first birthday The year of the royal tour of southern Africa 1947 marked both the high water mark of the British Empire and the very moment at which it began to unravel Graham Viney has written an intimate revealing portrait of the young princess on tour with her parents and sister Princess Margaret hard at work in the national interest and succeeding triumphantly against all odds In the words of Rian Malan South African author of *My Traitor's Heart* it is a story about a country teetering on the brink of convulsive change and yet almost united at least for a moment by love for a king and queen who weren't really ours The year 1947 was a pivotal moment not just in the history of the Union of South Africa but of the British Empire itself Later that same year India gained independence and just one year later the Afrikaner Nationalist victory in South Africa would lead inexorably to the Republic of South Africa in 1961 and its departure from the Commonwealth The present Queen Elizabeth must have learned a great

deal about statecraft from her father and about duty tact and hard work from both her parents in the course of this three month tour during which the then princess celebrated her twenty first birthday It was also the family s first real experience of multiculturalism Graham Viney s book gives us an intimate and revealing portrait of the royal family while also superbly capturing a moment in the life of a fractious recently formed nation before its descent into over four decades of darkness The royal family travelled ceaselessly from February to April on a specially commissioned white and gold train meeting thousands of people at every stop along the way The tour was a show of imperial solidarity and a recognition of South Africa s contribution to the Allied cause during the Second World War specifically that of South African prime minister Jan Smuts who had served in both British war cabinets Young Elizabeth draws skilfully on many diverse sources not least the Royal Archive at Windsor and includes many photographs of the royal family not previously published such as stills from film footage held by the South African National Film Video and Sound Archives in Pretoria

Citino, 1991-04-30 This is the first study to examine Nazi German foreign policy towards the Union of South Africa from 1933 1939 Making extensive use of unpublished primary source German documents Robert Citino focuses on the activities of the German embassy and consulates within South Africa in order to answer four basic questions What role did race and racial theory play in German foreign policy towards South Africa Did Germany attempt to exploit South African yearnings for international respect and if so how Did the Germans seek to take advantage of deep divisions within South African society between British and Afrikaners Finally to what extent was the German Foreign Office Nazified in the 1930s By concentrating on the policies and views of German diplomatic personnel within a single country rather than on Hitler s grandiose proclamations and speeches on world affairs Citino offers a closer look at Nazi German foreign policy operations than is usually available The study is organized chronologically and begins with an overview of German South African relations before 1933 Subsequent chapters address early tensions and South African domestic developments in the years leading up to the outbreak of war Specific topics covered include the role played by the former German colony of Southwest Africa in relations between the two states the hostile attitude of much of the South African press towards Nazi Germany the boycott of German firms by the South African Jewish community the Smuts Hertzog fusion the rise of Malan and his Purified nationalist

party the growth of anti-Semitism in South Africa and the concurrent growth in Afrikaner national consciousness and South African attitudes towards the major European crises of the 1930s Citino concludes by analyzing Germany's inability to keep South Africa neutral in 1939 and the entry of the Union into the war at England's side Students of modern German South African and twentieth century diplomatic history will find Citino's work an enlightening contribution to the literature of Nazi Germany's foreign relations *South African Guerrilla Armies* Rocklyn Williams, 2006 Ency Wld Bio 2 V14 .
