Comedies Arnold Wesker, 2012-09-07 In The Wedding Feast an idealistic altruistic shoe manufacturer arrives at an employee's wedding with disastrous consequences One More Ride on the Merry Go Round features a comic plot involving academics who get high on a hash birthday cake a recalcitrant daughter and the appearance of an illegitimate son who is a magician In Groupie 61 year old Mattie Beancourt is shocked to discover her idol the famous painter Mark Gorman living alone in near poverty She is sunny he is curmudgeonly and the impact of their friendship is startling Set against a scene of defiant old age The Old Ones examines the eccentric rituals of old age and plays out the conflict between the optimistic and pessimistic spirit

Groupie Arnold Wesker, 2011-08-31 Mattie Beancourt a 61 year old woman reads the autobiography of Mark Gorman a famous painter Having grown up in the same East End streets she writes to him A correspondence develops She visits him unannounced and discovers he lives in near poverty and neglect Her personality is sunny his is curmudgeonly Their impact upon each other is startling I was an appendage for him Something stuck on but not special He didn't need me There was never any real passion there To live a whole life knowing you were not special for anyone craving it to be loved and special Just once in my life before I die **8 Choices That Will Change a Woman's Life** Jill Briscoe, 2010-06-15 Each day presents women with an unending parade of choices What will you choose In this new edition of Jill Briscoe's popular guide she addresses the crucial issues that women face on a daily basis Using the book of James as a model Briscoe examines the following choices that most women face To resist pain or to use it to gather wealth or to gather grace to speak wisely or to speak foolishly to value our time or to fritter it away to live for ourselves or to live for the Spirit to develop God's gifts or to waste them to persevere or to protest and to stand for truth or to abandon it **Fasciculus temporum** Werner

Rolevinck, 1480 **Spend Game** Jonathan Gash, 2013-03-21 When Lovejoy witnesses a car crash that turns out to be a murder with one of his oldest antique dealer friends the victim he sets out on a trail of revenge that leaves him pondering several bewildering questions Why did his friend buy up a load of junk furniture What did he want with an old doctor's bag Why was his friend killed Who was trying to kill Lovejoy and most perplexing of all what the hell is he doing potholing through underground tunnels dodging armed hit men **The Lovejoy Omnibus (Books 1-4)** Jonathan Gash, 2013-12-19 The Judas Pair Every antique dealer is a bit of a detective following clues to find the trophies that pay the rent but when Lovejoy takes on the job of tracking down a pair of duelling pistols so rare that he's not even sure actually exist he needs all the instincts of a detective to pick his way through an unsolved crime Along the way he becomes convinced that the weapons do exist but that they have fallen into the hands of a vile murderer Locating the ancient weapons seems like the least of his problems when Lovejoy then finds himself fighting for his life in a duel to the death Gold From Gemini Lovejoy discovers how the lure of gold brings out the worst kind of treasure seeker when broke as usual and earning a crust as an unlikely

babysitter he stumbles across the diaries of a painter that appear to point to the whereabouts of a fabled hoard of Roman gold coins Lovejoy is tempted to dismiss the whole thing as a hoax but vile threats and violent intimidation have a way of changing his mind He sets out to unravel the clues in the diaries with some particularly nasty characters dogging his every move The Grail Tree Lovejoy has heard of more nutters who have claimed to be in possession of the one true Holy Grail than he has had hot dinners He s not too impressed with the eccentric clergyman making the latest claim especially when the good vicar turns out to be one of the finest forgers Lovejoy has ever met But when the vicar and his lady companion end up dead it becomes clear that someone else is after the old man s artefact To solve the mystery and protect a precious piece of history Lovejoy puts his life on the line and acquires a surprising new partner Spend Game When Lovejoy witnesses a car crash that turns out to be a murder with one of his oldest antique dealer friends the victim he sets out on a trail of revenge that leaves him pondering several bewildering questions Why did his friend buy up a load of junk furniture What did he want with an old doctor s bag Why was his friend killed Who was trying to kill Lovejoy and most perplexing of all what the hell is he doing potholing through underground tunnels dodging armed hit men

Neither The

Biggest Or Best Graham Thomas,2023-12-31 Mostly when we read stories about advertising in the media or in books they concentrate on the big names of the business whether advertisers and their brands agencies or people Yet while they sit at the undoubted glamorous end of the spectrum picking up creative awards and with tales of off screen outr antics to spill they represent only the tip of the iceberg in terms of numbers Under the waterline most of the smaller ad agencies were independent a few were the regional subsidiaries of the biggest agencies Saatchis Dorlands JWT McCanns Royds and Streets all had offices in Manchester for example a few were also second string agencies in London set up by the main agency for a variety of reasons specialist agencies that worked in recruitment finance corporate and business to business advertising for example or to handle conflicting accounts or clients that were too small for the main agency to handle profitably But as Campaign once wrote there is a stigma attached to these agencies They were still are seen as second class and on the fringes of the business Rarely did they act as feeder agencies for talent unlike journalism where many leading journalists started their careers on local newspapers before ending up on Fleet Street Even the Chairman of JWT Manchester admitted in the early 80s that Northern advertising people have a bit of a complex about their London counterparts All regional agencies are in danger of being a bit provincial in their outlook This volume looks at those agencies mainly through a diary written in the late 1970s This gives a vivid truthful warts and or portrayal of what life was like in the tail end of the advertising business
