PASSION AND THE STRUGGLE TO SURVIVE Growing up in a small Wiltshire village Abbie Morris has always known what lies ahead of her a dull and dismal life of drudgery Matters get worse when Abbie is twelve and their emotional spirited mother casts them into a crisis for which no one is prepared Six years later the Morris family have rebuilt their lives and when Abbie and Beatie Abbie s adored elder sister set off for the county fair the world seems a good place But their new found happiness is short lived A chance encounter with Louis a personable handsome stranger has repercussions that threaten to destroy Abbie s peace of mind for ever Abbie struggles to forget what happened that night and to get on with her life and when she meets charming honourable Arthur and re encounters Louis it becomes clear that she might never recover from the night they stayed so long at the fair

Edward Albee and the Emergence of Difference and Diversity in US and World Theatre David A. Crespy, Les Gray, 2025-09-08 This collection of essays seeks to present articles that examine the early ventures of the 1960s and 1970s in the progressive theatre of identity with a new contemporary view considering the intersection of race gender ethnicity economic class and sexual orientation In 1964 Edward Albee and his producers Richard Barr and Clinton Wilder produced *Funnyhouse of a Negro* by Adrienne Kennedy and *Dutchman* by Amiri Baraka then Leroi Jones and by 1968 had produced the seminal gay drama *The Boys in the Band* by Mart Crowley No other major American playwright of this period including Thornton Wilder Arthur Miller Tennessee Williams or William Inge produced the plays of their junior colleagues with a specific focus on difference and diversity For most scholars these productions and Albee s involvement in them are a somewhat obscure footnote in theatre history But they remain important for their early support of diverse voices Even as Albee s career was skyrocketing he and his producers had begun a producing project that sowed the seeds of diversity equity and inclusion in a decidedly anti racist decolonizing and progressive move that still resonates powerfully today While this book is not a hagiography and does not intend to paint Albee as without his own critical failings in terms of diversity in his own work and that of others this volume of theatre history dramatic literature and performance essays takes a detailed critical approach to Albee s engagement with other initiating plays productions producers theatre companies theatre artists and performances in the United States that pushed the dial toward difference and diversity in the
