**Angry with God** Michele Novotni, Randy Petersen, 2001 We've all faced anger sadness frustration confusion disappointment fear or depression at some point in our lives We know that we need to get to the root of the problem in order to fix it But what do you do when you feel that God is the root of the problem What do you do when you're angry with God Psychologist Michele Novotni noticed that many of her clients who were working through their anger with people had a parallel need to work through their anger with God Beneath the psychological issues many of us also silently struggle with our faith Yet we are afraid to give voice to this anger We're told that good people people of faith accept what happens without asking questions Unvoiced thoughts are forced underground leaving us feeling disconnected from God or even flat out angry with God but unable to do much about it It's time to break the silence This book won't try to talk you out of your anger but it will talk you through it while presenting an image of a compassionate God who continues to love you
