## **The Places In Between:**

The Places of Van Morrison's Songwriting Geoff Munns,2022-12-21 What can we learn about Van Morrison's life and work as a songwriter through his songs This book looks closely at the lyrics and music from a selection of his songs Some are very well known Brown Eyed Girl Cleaning Windows and The Healing Game Others are less familiar Through these songs the book offers insights into some of the most important ideas that the songwriter has explored across his five decade plus career starting from the Them period and extending through his solo albums These readings show how thinking about Morrison's use of place provides a specific lens that contributes to a greater understanding of his art The songs are organized into chapters that reflect many of the important places in Morrison's work as he ventured professionally and imaginatively away from the places of his upbringing towards a wider musical world These places are in city streetscapes and country landscapes in home places of streets and ditches in the enclosed spaces of rooms in the expansive reaches of the natural world in indeterminate and specific foreign lands A picture emerges of the journey that Van Morrison details through his songs one that sees him first wandering as a boy through his East Belfast haunts and then venturing out to a wider world away from this local place

**The Places In Between** Rory Stewart,2007-02-01 The New York Times bestselling account of a thirty six day walk across Afghanistan shortly after the fall of the Taliban stupendous an instant travel classic Entertainment Weekly In January 2002 Rory Stewart walked across Afghanistan surviving by his wits the kindness of strangers and his knowledge of Persian dialects and Muslim customs By day he passed through mountains covered in nine feet of snow hamlets burned and emptied by the Taliban and communities thriving amid the remains of medieval civilizations By night he slept on villagers' floors shared their meals and listened to their stories of the recent and ancient past Along the way Stewart met heroes and rogues tribal elders and teenage soldiers Taliban commanders and foreign aid workers He was also adopted by an unexpected companion a retired fighting mastiff he named Babur in honor of Afghanistan's first Mughal emperor in whose footsteps the pair was following Through these encounters by turns touching confounding surprising and funny Stewart makes tangible the forces of tradition ideology and allegiance that shape life in this beautiful beleaguered country

Rural Areas Between Regional Needs and Global Challenges Walter Leimgruber,Chang-yi David Chang,2019-01-01 This book provides an up to date account of the many processes shaping and transforming rural space in various parts of the world The various case studies focus on the multi functionality of the rural world and the driving forces behind it The book demonstrates that rural areas are no longer simply characterized by an agricultural economy and instead accommodate multiple complementary activities It also touches upon two major changes that have taken place The first is the process of rurbanization which has led to the clear distinction between town and countryside becoming blurred urban traits have penetrated rural areas and rural traits have invaded towns The second

change is that rural areas are increasingly seen as multi functional providers not only of food and other natural resources but also locations for the generation of renewable energy wind farms solar farms biogas and regions for the preservation of biodiversity These transformations have resulted in a new understanding and self image of rural areas and their populations
