Hidden Italy A Bilingual Edition Of Italian Dialect Poetry:

The Hidden Italy Hermann W. Haller, 1986 The Hidden Italy is the first bilingual English edition of some of the best Italian dialect poetry written over the past two centuries The selection of more than four hundred poems in Piedmontese Venetian Milanese Romagnol Roman Neapolitan Sicilian and other dialects illustrates the impressive variety of Italy's literary and linguistic civilization Italian dialect literature originated in the Renaissance after Tuscan had won its preeminence as the officially sanctioned Italian literary language Despite the official victory of Tuscan however many writers consciously preferred and chose their own regional or local dialects as their medium of literary expression This departure from Tuscan became a particularly significant phenomenon in the 18th century and has continued up to the present day Much of the poetry is characterized by its realistic portrayals of the lower classes their suffering from social injustice and poverty the simplicity of their approach to life particularly to earthy sensual experience Many poets use or create a language that is mimetic expressive often unabashedly obscene and irreverent The dialect becomes the language of pain and anger of biting satire or political rebellion of humor and meditation It is also the language which reveals the spirit of Italy's diverse regional civilizations Haller's literal prose translations and commentaries are aimed at leading the reader back to the original text and its intrinsic flavor Thus the book has appeal and importance both for poetry lovers in general and for people with a special interest in Italian linguistic and literary culture

Filò Per Il Casanova Di Fellini Andrea Zanzotto, 1997 The main body of this volume is a unique film poem that grew out of Zanzotto's collaboration with Federico Fellini on the film Casanova The poem's beauty is enhanced by its presentation in the original Veneto dialect along with contemporary Italian and English With reference to Finnegans Wake and utilizing Fellini inspired myth the trilingual play of the poetry is rich in layers rich in meanings Including drawings by Fellini and illustrations by Murer this volume also contains poems dedicated to Montzale Pasolini and Charlie Chaplin and the first English translation of Zanzotto's poem on the tragedy of Bosnia all together in an unusual and beautiful format

The Other Italy Hermann W. Haller, 1999-01-01 Italy possesses two literary canons one in the Tuscan language and the other made up of the various dialects of its many regions The Other Italy presents for the first time an overview of the principal authors and texts of Italy's literary canon in dialect It highlights the cultivated dialect poetry drama and narrative prose since the codification of the Tuscan literary language in the early sixteenth century when writing in dialect became a deliberate and conscious alternative to the official literary standard The book offers a panorama of the literary dialects of Italy over five centuries and across the country's regions shedding light on a profoundly plurilingual and polycentric civilization As a guide to reading and research it provides a compendium of literary sources in dialect arranged by region and accompanied by syntheses of regional traditions with selected textual illustrations A work of extraordinary importance The Other Italy was awarded the Modern Language Association of America's Aldo and Jean Scaglione Publication Award for a Manuscript in Italian Literary Studies It will serve scholars as an indispensable resource
