Iris Murdoch Elizabeth Dipple,2019-10-01 Originally published in 1982 this brilliant study provides a perceptive and up to date assessment of the novels of Iris Murdoch up to and including *Nuns and Soldiers* published in 1980 *The Fire and the Sun* her book on Plato is also considered in depth It is not a critical biography but rather shows how massive Murdoch s literary career was at the time and what her contribution has been to aesthetics literary criticism the realistic novel and to the possibilities of ethical and religious action in a horror filled and secular age Above all the book is interested in forwarding Murdoch s cause among her readers It is not aimed simply at those who have read and studied all of her novels the text will appeal to the readers of only a few of them as well as literary scholars and students of contemporary fiction and modern culture *Iris Murdoch* P. Martin,Anne Rowe,2010-07-16 This largely chronological study of Iris Murdoch s literary life begins with her fledgling publications at Badminton School and Oxford and her Irish heritage It moves through the novels of the next four decades and concludes with an account of the biographical critical and media attention given to her life and work since her death in 1999

Medievalisms Liliana Sikorska,Joanna Maciulewicz,2008 The continuous interest in medieval literature history and culture has resulted in a significant number of works on medievalism Medievalism however has many faces which range from motifs and themes loosely connected with the Middle Ages to works set in the period This book explores all such diverse aspects of medievalism and attempts to show the different ways in which consecutive literary periods appropriated medieval literature and culture *Encounters with Iris Murdoch* Richard Todd,1988 **A Fairly**

Gordon,1995 Like Jane Austen and Henry James but also like Fyodor Dostoevsky and Simone Weil Iris Murdoch is a keen student of those egoistic obsessions that cloud our moral understanding In *Iris Murdoch s Fables of Unselfing* David J Gordon probes more deeply and comprehensively than any previous critic the intellectual energies and the ethical imperative of unselfing that inform her fiction Gordon contends that the term fable best describes the kind of novel Murdoch writes because in each a mythmaking purpose interacts with a commitment to realism shaping the erotic life of fictional characters into a spiritual pilgrimage on which they struggle more or less unsuccessfully to overcome the self centeredness that keeps them away from the Good The most original element in the fiction Gordon argues

is not its striking modernization of Plato or its adaptations of nineteenth century influences but its intensely creative struggle with Freud In developing his analysis of her themes Gordon draws on Murdoch s work from throughout her forty year career showing how each novel grew out of its predecessors and in what ways each is original
