policies and practices of members is a fundamentally important activity of the World Trade Organization All WTO members  
are reviewed at regular intervals according to their share of world trade Each Trade Policy Review consists of three parts a  
report by the government under review a report written independently by the WTO Secretariat and the concluding remarks  
by the chair of the Trade Policy Review Body A highlights section provides an overview of key trade facts    Looking Beyond  
Tariffs Organisation for Economic Co-operation and Development,2005 The world economy is still far from the textbook  
model of unfettered trade of a global market place without barriers Non tariff barriers to trade at and behind the border have  
been lowered significantly in the course of successive trade negotiations but more can be done The studies in this volume  
review concerns that exporters and governments have raised about market access They analyse where and why certain non  
tariff measures are being applied to traded goods that are covered by multilateral rules and disciplines and how they  
continue to represent challenges for exporters and policymakers The specific measures examined are prohibitions and quotas  
non automatic import licensing schemes customs fees and charges and export restrictions    **Report** India. Department of
