

THE COMPLETE PORRIDGE

Porridge is one of the all-time greats, with its memorable, believable characters, witty comic dialogue and stirring plots. Its main character, Prisoner 4482, is played by the comedy genius Ronnie Barker. Each episode begins with the noise of prison doors slamming shut and the ringing tones of a public warning siren to prepare for two years. This sets the tone: whatever mischief Prisoner 4482 is getting up to, he's got another twelve months to go before he is released. It's a well-worn but still funny premise, and the series is a testament to the fact that a well-told story can still be funny.

Porridge is a classic British sitcom, and it's one of the best. It's a well-worn but still funny premise, and the series is a testament to the fact that a well-told story can still be funny.

Special Features
