The Continuing Voice Of Jesus:

The Continuing Voice of Jesus M. Eugene Boring, 1991-01-01 Here M Eugene Boring traces the role that early Christian prophets played in the transmission of sayings of Jesus and in the way these sayings were taken up into the canonical Gospels He also examines Jesus sayings to uncover the imprint that any might bear of having been handed on by early Christian prophets Convincingly he shows that early Christian prophets re presented authentic sayings of Jesus or modified Jesus sayings or even uttered new sayings in the name of the exalted Jesus Clearly written and closely reasoned this book sheds light on a much neglected area of Gospel research

The First Theologians Thomas W. Gillespie, 1994 What were the function and location of the prophets in early Christianity What were the nature and authority of their prophesying What were the forms and content of their prophecy In this book Princeton theologian Thomas Gillespie provides an important contribution to the scholarly investigation of the nature and function of early Christian prophecy

The Great I AM and the Great We ARE Steven Paul, 2025-10-09 What if the Higher Power you tentatively acknowledged in recovery has been orchestrating your healing all along What if the spiritual principles that saved your life aren't just human wisdom but reflections of eternal truths spoken by the very source of life itself In this groundbreaking exploration a voice from the trenches of addiction recovery reveals the stunning connections between Jesus seven I AM declarations and the spiritual awakening that transforms lives daily in recovery communities across the world Born not in seminary classrooms but in the desperate search for truth that began in addiction's darkest valleys this book bridges the gap between the recovery community and the church with profound insight in unflinching honesty From the Bread of Life that satisfies spiritual hunger no substance could fill to the True Vine that produces the authentic fruitfulness recovery promises each I AM statement addresses a specific aspect of addiction and recovery with startling clarity Discover how The Light of the World penetrates the darkness of denial deception The Good Shepherd provides the sacrificial care that broken hearts desperately need The Gate offers both access to abundant life and

protection from forces that would destroy recovery The Resurrection and the Life provides hope for complete restoration When addiction has caused devastation that seems irreparable Written for anyone who has experienced addiction s destruction whether personally or through a loved one this book demonstrates that your recovery story is actually a subplot in God s much larger narrative of redemption The same Jesus who spoke these profound truths 2000 years ago remains the living answer to every need that addiction creates This isn t theology dressed up in recovery language or recovery principles forced into religious molds This is the recognition that the deepest human struggles with powerlessness spiritual hunger moral confusion and existential emptiness find their ultimate solution in the One who declares I AM so that broken people can confidently declare WE ARE redeemed restored and renewed For those still struggling discover that your rock bottom can become His solid foundation For those in recovery there s more much more For families and loved ones find hope that no addiction is too severe for resurrection power For those in ministry meet your mission field in the rooms where miracles happen daily The mathematics of addiction never made sense but the mathematics of grace are equally counterintuitive less equals more weakness equals strength surrender equals victory death equals life This is more than a book it s an invitation to discover that the Higher Power who saved you from active addiction wants to save you for active discipleship Your recovery story is actually a love story and the love interest has a name From powerlessness to purpose from spiritual death to abundant life from the great I am not to the grateful we are this journey reveals that recovery isn t just about getting sober It s about getting saved staying saved and helping others find the same salvation you ve found This book will change how you understand both recovery and faith It s essential reading for anyone who believes that grace and spiritual awakening aren t just compatible they are inseparable
