Augsburger,1991-05    **The Communicator's Commentary** Louis H. Evans,1979    *The Communicator's Commentary* Gary W. Demarest,1984    Communicator's Commentary Gary W. Demarest,1991-05    **A Homiletical Praxeology on the Persuasiveness of Literary Forms** Ferdi P. Kruger,2025-04-29 This book is aimed at academic scholars and preachers who deal with homiletical praxeology weekly Its purpose is to focus on the rhetorical appeal of the Biblical text which is alluded to from the viewpoint of the five preaching blocks according to Matthew s Gospel and the Hebrew sermon The book s uniqueness is encapsulated in the idea that it is a practical theological and homiletical study Consequently the book offers empirical perspectives on literary forms and an inter disciplinary engagement with neighbour sciences before presenting normative perspectives This book posits that faith communities should be exposed to more literary forms to realise that the library of the Gospel and its literature does have a rhetorical appeal that should be preached according to its purpose The unique structure and way the Gospel portrays the Kingdom that has come near as well as the Hebrews sermon offering perspectives on attitude change could enrich a homiletical practice    **Euthanasia, Suicide, and Despair: Can the Bible Help?** Michael J. Lowis,2015-10-21 Despite its title this is not a morbid or depressing book but one that it is hoped will bring encouragement and comfort to all who are experiencing life s difficulties even to the point of wondering if they wish to continue living However the question of whether or not it is morally acceptable for people to receive help to end their lives prematurely is a divisive one but it is one that cannot be ignored Some countries have already legalized voluntary euthanasia whilst others are still wrestling with this ethical dilemma We all hope that we will never be faced with this situation but if it does arise where can we turn for help and guidance The Bible is one useful resource as over fifty passages have been identified that relate to coping with desperate life circumstances along with a few instances where a life has been ended prematurely In addition to identifying and discussing these passages this book also provides helpful background on the history of the biblical sources used along with factors influencing their interpretation Reading this book should provide strength and courage to persevere through life s adversities    **Faith** Dale Larsen,Sandy Larsen,2011-10-18 If you ever struggle with uncertainties about faith you ll find good company in the pages of the Bible Dale and Sandy Larsen lead you through nine LifeGuide Bible studies on people who struggled with faith to encourage you in your journey to deeper trust    **A Faith Worth Living** Chuck Queen,2011-03-03 What does a Christianity constructed upon and pervaded by a theology of God s unconditional love look like Aimed at a wide audience A Faith Worth Living provides one portrait Chuck Queen weaves together biblical interpretations theological reflections and spiritual observations drawn from stories movies literature and common life experiences in his argument for an inclusive Christianity In a simple though scholarly informed

style he addresses Christians students of religion and spiritual seekers Key elements of the presentation include a transformative faith holistic and non dualistic God s dream for the world kingdom theology Jesus nonviolent atonement the church as a kingdom community universal salvation judgment and the cosmic Christ acceptance of other religious traditions and the dynamics of a radical discipleship to the way of Jesus    **Hebrews** Louis Hadley Evans,1985    **The Epistle to the Hebrews** Harold W.
