

WHAT IS THE CONSTITUTION?

The **constitution** is a set of fundamental laws and principles that establish the structure and functioning of a country.

It is the most important legal document of a nation and outlines the rights and duties of its citizens, as well as the responsibilities of the government.

The **constitution** typically defines the form of government, the powers of the state, the separation of powers, and individual and collective rights.

It serves as the basis for the legal and political system of a country, ensuring the protection of the rights and freedoms of its inhabitants and providing a framework for peaceful coexistence and societal development.
