

# READING OF SCRIPTURE

- ▶ **CONTEXTUAL**– It is important to study Bible passages and stories within their context. Taking verses out of context leads to all kinds of error and misunderstanding. Understanding context begins with four principles: literal meaning (what it says), historical setting (the events of the story, to whom is it addressed, and how it was understood at that time), grammar (the immediate sentence and paragraph within which a word or phrase is found) and synthesis (comparing it with other parts of Scripture for a fuller meaning). –

William W. Hallo,K. Lawson Younger,David E. Orton,1997 Scripture in Context II William W. Hallo,James C. Moyer,Leo G. Perdue,1983 In the summers of 1978 and 1980 William W Hallo directed two National Endowment for the Humanities Summer Seminars both of which had the title Biblical History in its Near Eastern Setting These seminars conducted at Yale University have now resulted in two related collections of essays This second collection **Scripture in Context II** had its origins in the 1980 seminar Both seminars investigated in chronological sequence the major phases of ancient Near Eastern history and focused on the history literary traditions and religion of ancient Israel within the context of her cultural environs A major concern was to recognize and explore the implications of the way in which the native biblical and extra biblical literary traditions rendered account of themselves The methodology followed in the seminars and the resulting essays is the contextual approach This approach to the study of biblical history literature and religion is concerned not only to discover illuminating and insightful parallels between biblical and extrabiblical sources but also to note and recognize the implications of significant and important differences Jacket The Context of Scripture: Canonical compositions from the biblical world William W. Cheryl Bridges Johns,2023-05-16 In an age when the Bible has been stripped of its sacredness and functional biblical illiteracy reigns this book makes the case that we must work to re enchant the text in order to return the Bible to its rightful place in the lives of Christians Cheryl Bridges Johns explains how the Enlightenment's turn to the rational human subject made it possible to objectify the Bible and has distorted our interpretations of Scripture This move generated a belief that studying the Bible was primarily a means of supporting facts and providing evidence of competing visions of reality This modern version of the Bible does not trouble our nights with apocalyptic images It has been stripped of its power She also shows that both liberal and fundamentalist interpretation are failed forms of disenchanted readings Johns argues that we must rediscover the Bible as a sacred dangerous mysterious and presence filled wonderland to counteract biblical illiteracy in an increasingly post Christian landscape **The Christian treasury (and missionary review)** ,1877

**The Rainbow, a magazine of Christian literature** ,1878 **Sign, Text, Scripture** George Aichele,1997-10-01 This book is an introduction to the field of semiotics specifically directed to students of the Bible as well as to biblical scholars trained in other methodologies The primary focus is on what semiotics is now how contemporary scholars actually approach the Bible semiotically Attention is given to the history and varieties of semiotic theory because as it has influenced the work of more recent thinkers and because postmodern reappraisals of semiotics call for rereading of biblical texts The book is organized according to topics Sign Message Text etc which provide a way to interrogate semiotics as a system This stimulating account also includes for good measure reflections on what theology has become for believer and unbeliever alike in a post Nietzschean post Heideggerian world What does it mean to see theology as ideology a complex and never wholly conscious network of understandings preconceptions and expectations about the way things are **The Columbian Cyclopedie** ,1897
