Dornon,2022-06-12 The final story in the Jake Bennett series opens with Jake in rehab one misstep away from prison Counseling points the PI toward his family past forcing Jake to meet his long lost father in his search for answers The arrival of Henry a fling Jake had months ago complicates Bennett's life even further Can he put the pieces of his life together or will it all shatter and fall to the ground Welcome to the thundering climax of the Jake Bennett Adventures First let's begin with what this book is NOT It is not one of those wretched romance novels where two gay men whine and cry and mope and obsess about their feelings and never have sex It is not a Delayed Fk It is not a Coming Out story about two teens who've never been touched It is not about homophobia It is not about gay bashing It is not about religion vs reality It is not about the torture of living in the closet Instead this novel is the story of two men who have already come out and who have already had sex and no one in their world has a problem with that Unfortunately one of them our hero Jake Bennett has a big problem with alcohol He's been using it more and more to cope with the unfair treatment he received from powerful people back when he was a cop in LA He's been using it to cope with his feelings of terror and despair brought on by the mysterious disappearance of his girlfriend Debbie Cantrell And he's been using alcohol to help him forget some of the shady things he and his former associate Rachel have been doing since he became a private eye in San Francisco This ocean of scotch predictably lands Jake in big trouble court ordered rehab to be exact One step away from six months in jail Jake finally wakes up to the fact that he's got a big problem It is the unexpected reappearance of Debbie that enables Jake to come to grips with this problem and finally participate in the treatment the judge has ordered for him As he opens up to his counselor Dr Wagner Jake begins to understand that his repressed childhood memories have driven his actions in ways he doesn't understand Meanwhile Henry English a young man Jake had sex with a few times earlier in the year has moved to San

Francisco Henry is determined to help Jake overcome his problems and as they work together it becomes plain that Henry has another agenda With Henry's help Jake sets out to find and talk to his long lost father The stories that the private eye uncovers are not at all what he expected and upon closer inspection they don't add up either Now Jake has the information he needs to understand his past traumas As his new family gathers to take a trip together to Mexico it seems that everything is falling in place for Jake
