The Life Of Thomas More

Agnes M. Stewart

The Life Of Thomas More:

The Life of Thomas More Peter Ackroyd, 2012-06-27 Peter Ackroyd's *The Life of Thomas More* is a masterful reconstruction of the life and imagination of one of the most remarkable figures of history. Thomas More (1478-1535) was a renowned statesman, the author of a political fantasy that gave a name to a literary genre and a worldview: Utopia, and most famously a Catholic martyr and saint. Born into the professional classes, Thomas More applied his formidable intellect and well-placed connections to become the most powerful man in England, second only to the king. As much a work of history as a biography, *The Life of Thomas More* gives an unmatched portrait of the everyday religious and intellectual life of the early sixteenth century. In Ackroyd's hands, this renowned man for all seasons emerges in the fullness of his complex humanity; we see the unexpected side of his character, such as his preference for bawdy humor as well as his indisputable moral courage.

The Life of Sir Thomas More Cresacre More, 1828 **The Life of Sir Thomas More** William Roper, 1822 *The Life of Thomas More* Thomas More, 1726 *The Life of Sir Thomas More*, 1908 *The Life and Letters of Sir Thomas More* Agnes M. Stewart, 1876 **The Life and Illustrious Martyrdom of Sir Thomas More** Thomas Stapleton, 1967 In 1588, the year of the Spanish Armada, Thomas Stapleton sat down to write the book *Tres Thomae*; his subject was the life and works of St. Thomas the Apostle, St. Thomas of Canterbury, and Sir Thomas More. He wrote it in Latin, as More had done with his *Utopia*, since a knowledge of English was a rare accomplishment among European scholars and readers. Apart from its entertainment value as an account of More's life, the book is also a document of great importance; his list of sources is impressive since it includes many of the exiled members of More's circle from whom he gathered the information treasured in their memories. Most valuable of all was the collection of letters preserved by John Harris, More's secretary; from these, Stapleton gives us more than thirty letters or extracts from letters not to be found elsewhere. Apart from such documentary evidence, the book also gives us the recollections of those who were intimate members of More's household; it records the reputation Thomas More had gained within a half-century of his death and emphasizes the remarkable place that he had achieved in the popular mind even before any written account of his life was available. The fascination of the life of a man who preferred to obey the law of God rather than the command of a king has not diminished with the passage of time. That such a life should be the subject of awards for its portrayal on stage and screen is not only a testimony to the incomparable artistry of an actor and a playwright; it is as well an acknowledgement of the words with which Stapleton brings his book to a close: the admiration of modern man for the life, the character, the achievements, and the glorious martyrdom of that noble and illustrious man, Sir Thomas More.

The Life of Sir Thomas More William ROPER (Son-in-law of Sir Thomas More.), 1924
The Achievement of Thomas More, Aspects of His Life and Works Richard J. Schoeck, 1976 **The Life of Sir Thomas More** William Roper, 2015-12-20 *The Life of Sir Thomas More* is a massive biography of Thomas More and an overview of his writings. Thomas More was an adviser to King Henry VIII until being put to death for his staunch Catholicism and the 16th

century saint remains best known for the seminal work *Utopia*

Life and Writings of Sir Thomas More T. E. (Thomas Edward) Bridgett, 1891

Humanist as Hero Theodore Maynard, 1947

The Last Letters of Thomas More Saint Thomas More, 2001

Written from the Tower of London these letters of Thomas More still speak powerfully today The story of Thomas More recently told in Peter Ackroyd's bestselling biography is well known In the spring of 1534 Thomas More was taken to the Tower of London and after fourteen months in prison the brilliant author of *Utopia* friend of Erasmus and the humanities and former Lord Chancellor of England was beheaded on Tower Hill Yet More wrote some of his best works as a prisoner including a set of historically and religiously important letters

The Last Letters of Thomas More is a superb new edition of More's prison correspondence introduced and fully annotated for contemporary readers by Alvaro de Silva Based on the critical edition of More's correspondence this volume begins with letters penned by More to Cromwell and Henry VIII in February 1534 and ends with More's last words to his daughter Margaret Roper on the eve of his execution More writes on a host of topics prayer and penance the right use of riches and power the joys of heaven psychological depression and suicidal temptations the moral compromises of those who imprisoned him and much more This volume not only records the clarity of More's conscience and his readiness to die for the integrity of his religious faith but it also throws light on the literary works that More wrote during the same period and on the religious and political conditions of Tudor England

The Life of Sir Thomas More Cresacre More, Thomas More, 1726

The Life and Work of Thomas More William Roper, Henri Brémont, 2019-06-03

This eBook edition of *The Life and Work of Thomas More* has been formatted to the highest digital standards and adjusted for readability on all devices

Sir Thomas More 1478-1535 venerated in the Catholic Church as Saint Thomas More was an English lawyer social philosopher author statesman and noted Renaissance humanist He was also a councilor to Henry VIII and Lord High Chancellor of England from October 1529 to 16 May 1532 He wrote *Utopia* published in 1516 about the political system of an imaginary ideal island nation

Content Sir Thomas More by Henri Brémont

James MACKINTOSH (Right Hon. Sir.), 1844

The Humanist As Hero Theodore Maynard, 1971-05

Life and Writings of Sir Thomas More T. Bridgett, 2015-03-14

This is a photographic reprint of the original to preserve accuracy

In More's dedicatory letter to Thomas Ruthal of his translation into Latin of three of Lucian's dialogues he complained that writers of the lives of saints sometimes indulge in falsehoods They have scarcely left a life of martyr or of virgin without foisting into it something untrue piously no doubt for of course there was a danger lest truth left to itself should not be able to stand upright so that it was necessary to prop it up with lies I may say that my first anxiety in composing this *Life of the illustrious writer chancellor and martyr* has been not to merit this reproach to state nothing that I did not believe and to accept nothing for which I had not historical evidence My first care was to collate the biographies of More already in existence In giving some account of the principal of these I shall be able at the same time to state the sources from which a

correct and complete life of More can be drawn My own conclusion was that such a Life still remained to be written and I have made a serious attempt to supply the want My readers and critics must judge how far I have succeeded ERASMUS In the letters of Erasmus there are descriptions of More so minute and full though written during his lifetime that Erasmus may almost be called his first biographer There is also a large correspondence between the two friends This source had already been well used by Stapleton but I have taken nothing at second hand It will be seen that the writings of Erasmus have supplied me with some of my best materials ROPER More s son in law William Roper resided with him for sixteen years In the time of Queen Mary he wrote down his reminiscences as well as details learnt from his wife Margaret More These reminiscences were not intended as a complete Life They were notes supplied to Dr Nicholas Harpsfield Archdeacon of Canterbury by whom they were worked up into a Life to be mentioned immediately Roper writing from memory twenty years after the death of More makes a few mistakes in dates but his narratie bears intrinsic evidence of the simple uprightness of the narrator and of his substantial accuracy which is confirmed by historical documents This Life or rather these notes were in circulation in MS and were used by compilers of lives long before they were printed They were first printed in Paris in 1626 then by Hearne in 1716 and by Lewis in 1729 1731 1765 who added a valuable appendix of documents The best edition is that of Singer in 1817 of which only 150 copies were printed Roper s Life of More is also annexed to Mr Lumley s edition of the Utopia The Life of Sir Thomas More ... High Chancellour of England Under K. Henry the Eighth More,1726 **The Life of Sir Thomas More ... by Thomas More [or Rather by Cresacre More, Etc.].** Cresacre MORE,Thomas MORE (Great Grandson of Sir Thomas More.),1726

The Enigmatic Realm of **The Life Of Thomas More**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
