The Life Of Python:

The Life of Python George Perry,2015-04-01 Monty Python rides again Those malicious rumours that they were washed up pooped out time expired usually started by them simply aren't true With the launch of the sell out show Monty Python Live mostly the great hugely influential comedy group geared up anew surprising even more generations This revised and updated edition charts the course of a revolution in British comedy and will appeal to die hard fans and new recruits alike

The world of Python its ear finely tuned to the absurd was that rare beast absolute originality This tribute to the inspired collective genius of John Cleese Terry Gilliam Eric Idle Terry Jones Michael Palin and the late Graham Chapman is based on personal reminiscences and exclusive interviews with each of them It recounts with many illustrations from the archives their pre Pythonic lives their meeting its impact and the aftermath They have come a long way over the years since then Today Gwen Dibley would hardly know them were she still alive The book is a faithful chronicle of the people and events who engendered a revolution in comedy

The Life Of Python G Perry,1995-03-02 On October 5 1969 outrageous unorthodox comedy struck the world It was on this fateful day that Monty Python's Flying Circus debuted From the Dead Parrot skit to the Lumberjack Song The Attila the Hun Show to the Cheese Shop routine the Pythons set a standard for irreverent

obnoxious nonsensical comedy never before seen

Monty Python's Tunisian Holiday

Kim Howard Johnson,2008-10-28 One of the finest and most accurate records of the making of the film that I have ever read I just wished I could remember what actually went on then Terry Jones In 1978 Kim Howard Johnson ran away to join the circus Monty Python's Flying Circus that is The Pythons converged on Tunisia to film their timeless classic Life of Brian and Howard found himself in the thick of it doubling for nearly all the Pythons playing more roles in the film than John Cleese and managing to ruin only one shot He became the unit journalist substitute still photographer Roman soldier peasant Biggus Dickus's double near stalker and ultimately friend and confidant of the comedy legends He also kept a detailed journal of what he saw and heard on set and off throughout those six weeks Now for the first time ever the inside story of the making of the film is revealed through the fly on the castle wall perspective Here uncensored are the legendary Pythons in their prime It was a period of comedy history that will never be duplicated and Monty Python's Tunisian Holiday captures the wit the genius and the sheer silliness of the six men that comprised Python If anyone can remember more about making the Life of Brian than me it's Kim Howard Johnson He came he saw he got into costume While the rest of us were fighting to upstage each other Howard had a notebook hidden in his toga Michael Palin Not only does Howard Johnson know more about Python than anyone outside of the IRS he was the only person who captured every thoughtless remark heated exchange embarrassing detail petty insult and spiteful act of indifference John Cleese
