Jason L. Mast,Jeffrey C. Alexander,2018-11-12 The 2016 U S presidential election revealed a nation deeply divided and in flux
This volume provides urgently needed insights into American politics and culture during this period of uncertainty The
contributions answer the election s key mysteries such as how contemporary Christian evangelicals identified in the
unrepentant candidate Trump a hero to their cause and how working class and economically struggling Americans saw in the
rich and ostentatious candidate a champion of their plight The chapters explain how irrationality is creeping into political
participation and demonstrate how media developments enabled a phenomenon like fake news to influence the election At
this polarized and contentious moment this volume satisfies the urgent need for works that carefully analyze the forces and
tensions tearing at the American social fabric Simultaneously intellectual and accessible this volume is designed to illuminate
the 2016 U S presidential election and its aftermath for academics and students of politics alike **The Journal of**
