## **Stromata Burning Deck Poetry Series:**

*Stromata* David Miller, 1995      *Collected Poems* David Miller, 1997      **In the Shop of Nothing** David Miller, 2007  
Poetry In these poems celestial transparency is abandoned for the quieter glow of unruly paradox as Miller writes Anterior dark makes its claim upon light Yet this poetry is anything but bleak For the SHOP OF NOTHING culls the radiance of poetry as witness as alchemical window This ghostliness may in fact be the very stuff of form Miller's poetry locates the site precisely between gaze and image effecting a mode of recognition that somehow conjoins love with love presence with absence ghost with flesh      **Avec**, 1995      *Shearsman*, 1995      **Object Permanence**, 1994      **First Intensity**, 1999  
*Sulfur*, 1995      **A State of Independence** Tony Frazer, 1998 The contemporary radical poets represented in this anthology range from the well known to the unknown and from those who came to prominence in the sixties to those only now becoming recognised      **New American Writing**, 1995      **Five Fingers Review**, 1998      *The Waters of Marah* David Miller, 2003 Poetry David Miller's prose poems seem often to be meditations broken by details of actual encounter or event these broken in turn by insistent memories But each poem comes together in a conscious unity a musical unity All together they sound a rich and coherent mind Keith Waldrop Every time I open a book by David Miller I feel I am being let into a walled garden where all the dangers of the world thrive and strangers seek strangers but the garden feels safe Fanny Howe If experiences at the limit of what can be apprehended be the working definition of sublime then Miller's is and is not a sublime work since it hovers within and beyond the limits of what can be apprehended Norman Cole      **Stromata** David Miller, 1995-01-01      **Talisman**, 1995      *Contemporary Authors Autobiography* Lyn Andrews, 1998-07-31 Each volume presents about 20 autobiographical essays written exclusively for the series allowing your students to approach each author's life from a highly personal vantage point A unique resource for studies on the memoir each essay is illustrated with photographs supplied by the author and followed with a complete bibliographic listing of works Every volume also provides a cumulative subject index to the more than 450 entrants in the series thus far Recently featured authors include Rita Dove Sandra McPherson Elie Wiesel and many others      *Catalogue of Little Press Books in Print Published in the United Kingdom*, 1997      **The Will to Sickness** Gerhard Roth, 2006 Fiction Translated from the German by Tristram Wolff The latest release in Burning Deck's Dichten series focusing on contemporary German writers THE WILL TO SICKNESS is Gerhard Roth's classic 1973 novella It reveals Roth's objective prose at its finest where aggregates of particular impressions merge with a quasi scientific emphasis on individual minute details The effect of this prose is surreal with an undertone of Angst that perceives anything as strange and menacing the product of a hard edged exploration of the strangeness of perception itself Shutting the window Kalb caught sight of himself for a moment in the mirror of the windowpane his eyeballs looked exactly like a set of fried eggs from THE WILL TO SICKNESS      **Little Press Books in Print**, 1997      *The Cumulative Book Index*, 1996 A world list of books in the English language      **The Athenaeum**, 1886
