**Surprising Insights from the Unchurched and Proven Ways to Reach Them** Thom S. Rainer, 2009-08-08 We've read all the hot books on evangelism we've attended scores of seminars and still we're not reaching the unchurched Eighty to ninety percent of churchless Americans will never darken our culturally relevant seeker sensitive doors What are we missing Maybe we've been asking the wrong people Instead of consulting the unchurched masses it's time we heard what the small but important minority who have recently begun attending a church have to say What made the difference for them What critical factors helped spark their faith in Jesus and drew them into the community of believers Thom S Rainer dean of the Billy Graham School of Missions Evangelism and Church Growth shares the results and conclusions of his school's groundbreaking survey of the formerly unchurched At last here are proven insights into what evangelistically effective churches are doing right Flying in the face of much contemporary wisdom the answers will surprise you This is truly one of the most valuable resources you can own as a church leader Filled with charts graphs and other visual aids plus an abundance of true life accounts this book explodes common myths about the unchurched You'll discover Why pastors and doctrinal preaching are critical The enormous influence of family and relationships Which things matter more than we'd thought and which matter less What causes visitors to return The traits of unchurched reaching leaders How to preach effectively to the unchurched How to become a church for the unchurched And much much more This eye opening compendium of information includes reproducible appendices that can help you fine tune or even restructure your church From one of the nation's foremost authorities on evangelism and church growth here are insights and tools that will change the way you think of and deal with and win unchurched men and women who long to connect with God Photocopyable material includes Unchurched Reaching Readiness Inventory Church Health Survey [Why Men Hate Going to Church](#) David Murrow, 2011-10-31 Church is boring It's irrelevant It's full of hypocrites You've heard the excuses now learn the real reasons men and boys are fleeing churches of every kind all over the world and what we can do about it Women comprise more than 60% of the adults in a typical worship service in America Some overseas congregations report ten women for every man in attendance Men are less likely to lead volunteer and give in the church They pray less share their faith less and read the Bible less In [Why Men Hate Going to Church](#) David Murrow identifies the barriers keeping many men from going to church explains why it's so hard to motivate the men who do attend and also takes you inside several fast growing congregations that are winning the hearts of men and boys In this completely revised reorganized and rewritten edition of the classic book with more than 70 percent new content explore topics like The increase and decrease in male church attendance during the past 500 years Why Christian churches are more feminine even though men are often still the leaders The difference between the type of God men and women like to worship The lack of volunteering and ministry opportunities for men The benefits men get from attending church regularly Men need the church but more importantly the church needs

men The presence of enthusiastic men is one of the surest predictors of church health growth giving and expansion Why Men Hate Going to Church does not call men back to church it calls the church back to men *Go Fish* Shonn Keels,2022-01-04 Go Fish addresses one of the greatest challenges in the American evangelical church today APATHY Research reveals a very small percentage of the church is actively engaged in the mission of God This research also points out many in the church are comfortable with their disobedience to the Great Commission Go Fish is an actual Doctor of Ministry research project and it offers an answer for the church today This resource is academic Biblical and practical Awakening the Sleeping Giant Rob Burkhart,2003 Awakening the Sleeping Giant is designed to help churches revitalize the ministry of Sunday School and to more effectively see students transformed by the Holy Spirit and the Word of God It isn't about a fresh coat of paint it's about optimizing Sunday School from the ground up from the way it's perceived to how it's implemented *Issachar File* ,1999
