

Somehow Surviving
By: Kristin Schanbacher

**Something told me
I told you
yesterday
I wrote a song
with you in my head
screaming
while I lay on my bed
feeling those reelings of dread
repeating the words that were said...
suddenly solitude
seemed sufficient
silently i tried to
be efficient
I tried to stop trying
lied to stop lying
cried to stop crying
Somehow we're all dying
...its a strange place to be
but somehow we're surviving**

Survivals Poems:

Poetry as Survival Gregory Orr,2010-12-01 Intended for general readers and for students and scholars of poetry Poetry as Survival is a complex and lucid analysis of the powerful role poetry can play in confronting surviving and transcending pain and suffering Gregory Orr draws from a generous array of sources He weaves discussions of work by Keats Dickinson and Whitman with quotes from three thousand year old Egyptian poems Inuit songs and Japanese love poems to show that writing personal lyric has helped poets throughout history to process emotional and experiential turmoil from individual stress to collective grief More specifically he considers how the acts of writing reading and listening to lyric bring ordering powers to the chaos that surrounds us Moving into more contemporary work Orr looks at the poetry of Sylvia Plath Stanley Kunitz and Theodore Roethke poets who relied on their own work to get through painful psychological experiences As a poet who has experienced considerable trauma especially as a child Orr refers to the damaging experiences of his past and to the role poetry played in his ability to recover and survive His personal narrative makes all the more poignant and vivid Orr s claims for lyric poetry s power as a tool for healing Poetry as Survival is a memorable and inspiring introduction to lyric poetry s capacity to help us find safety and comfort in a threatening world

Survival Is a Promise Alexis Pauline Gumbs,2024-08-20 A Time Must Read Book of the Year Winner of the Judy Grahn Award for Lesbian Nonfiction A Publishers Weekly Top Ten Book of the Year Shortlisted for the 2025 Brooklyn Public Library Book Prize A bold innovative biography that offers a new understanding of the life work and enduring impact of Audre Lorde We remember Audre Lorde as an iconic writer a quotable teacher whose words and face grace T shirts nonprofit annual reports and campus diversity center walls But even those who are inspired by Lorde s teachings on the creative power of difference may be missing something fundamental about her life and work and what they can mean for us today Lorde s understanding of survival was not simply about getting through to the other side of oppression or being resilient in the face of cancer It was about the total stakes of what it means to be in relationship with a planet in transformation Possibly the focus on Lorde s quotable essays to the neglect of her complex poems has led us to ignore her deep engagement with the natural world the planetary dynamics of geology meteorology and biology For her ecological images are not simply metaphors but rather literal guides to how to be of earth on earth and how to survive to live the ethics that a Black feminist lesbian warrior poetics demands In Survival Is a Promise Alexis Pauline Gumbs the first researcher to explore the full depths of Lorde s manuscript archives illuminates the eternal life of Lorde Her life and work become more than a sound bite they become a cosmic force teaching us the grand contingency of life together on earth
