Big Book of Malice Khushwant Singh,2000-10-14 Malice The word is synonymous with Khushwant Singh his pen has spared no one For over four decades as India s most widely read columnist he has commented on just about everything religion politics our future our past prohibition impotency presidents politicians cricket dog haters astrologers the banning of books the secret of 1ongevity the list is endless Candid to the point of being outrageous Khushwant Singh makes both his reader and subject wince He writes unabashedly on nose picking wife bashing bribing journalists gender wars and the desires of an octogenarian on Nehru and Edwina Laloo Bal Thackeray Chandraswami and Sonia Gandhi among host of others

Khushwant Singh's Big Book of Malice brings together some of his nastiest and most irreverent pieces. Witty, sharp and brutally honest, this collection is certain to delight and provoke readers of all ages. Good people can be crashing bores. Evil men who combine evil doing with drunkenness, debauchery and making illicit money make more interesting characters because they pack their lives with action. They do what most of us would like to do but do not have the guts to. Khushwant Singh's *Human Relationships in Shobhaa De's Novels* (Jabeen R. Siddiqui, Vitthal V. Parab, Shobhaa De) is a passionate, poignant and confident writer by means of her art disseminates the idea of disgusting back for the fundamental mental rights of females. She achieved success with latest burning issues faced by her characters in relationships. The book explores deeply Shobhaa De's fiction and raises the mask of crimeful relations prevailing in high society of contemporary India. She exposes the obscure secrets of the urban elite people and the changed picture of dilemmas to a few knows about it. Through the means of literature she wanted to bring the awareness among the people and to stop the absurd circumstances ongoing in metros. Although the modern life has been exhibited in the novels at the end she focuses on the Indian ethos. As a feminist cum humanist she intimates the women to be self-reliant, independent through education and economic independence. Characters in new avatars are presented. This book discovers the secret behind linking of unmarried females to married males and the entrapping of young females by ineffectual males. This epitome confers benefit to the youngsters to know about the side effects of premarital relationships. It also exhorts the decaying of marital relationships and rise in remarriage. Denying from motherhood is also viewed. The reasons behind falling into extramarital affairs are outspoken. New attitudes towards sex are adverted. It discusses the reason of preferring homosexuality by bestowing the knowledge of mental health and problems in the lives of upper class people. Violence against women is also stated. This book is a solution for each and every unsettled unsatisfactory relationship prevailing in contemporary society and also to the students, researchers and readers to get right direction for their motives. This contemplation exhibits that people live longer if they are in satisfying relationships. It is an honest and sincere attempt by the authors to convey Shobhaa De's significant thoughts to the readers.
