Survivor Thomas R. Harrison,1989      Library Journal ,1991 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately      **Bataan Survivor** David L. Hardee,2017-12-01 A forgotten account written in the immediate aftermath of World War II which vividly portrays the valor sacrifice suffering and liberation of the defenders of Bataan and Corregidor through the eyes of one survivor The personal memoir of Colonel David L Hardee first drafted at sea from April May 1945 following his liberation from Japanese captivity is a thorough treatment of his time in the Philippines A career infantry officer Hardee fought during the Battle of Bataan as executive officer of the Provisional Air Corps Regiment Captured in April 1942 after the American surrender on Bataan Hardee survived the Bataan Death March and proceeded to endure a series of squalid prison camps A debilitating hernia left Hardee too ill to travel to Japan in 1944 making him one of the few lieutenant colonels to remain in the Philippines and subsequently survive the war As a primary account written almost immediately after his liberation Hardee s memoir is fresh vivid and devoid of decades of faded memories or contemporary influences associated with memoirs written years after an experience This once forgotten memoir has been carefully edited illustrated and annotated to unlock the true depths of Hardee s experience as a soldier prisoner and liberated survivor of the Pacific War

**Inside the Bataan Death March** Kevin C. Murphy,2014-10-27 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama      **Death March** Donald Knox,1981 An account of the extraordinary strength and courage exhibited by americans under the extreme and seemingly unending stress of three and a half years of captivity under the Japanese on Bataan Photographs and maps      **O'Donnell, Andersonville of the Pacific** John E. Olson,1985      *Tears in the Darkness* Michael Norman,Elizabeth M. Norman,2010-03-02 Tears in the Darkness is an altogether new look at World War II that exposes the myths of war and shows the extent of suffering and loss on both sides For the first four months of 1942 U S Filipino and Japanese soldiers fought what was America s first major land battle of World War II the battle for the tiny Philippine peninsula of Bataan It ended with the surrender of 76 000 Filipinos and Americans the single largest defeat in American military history The defeat though was only the beginning as Michael

and Elizabeth M Norman make dramatically clear in this powerfully original book From then until the Japanese surrendered in August 1945 the prisoners of war suffered an ordeal of unparalleled cruelty and savagery forty one months of captivity starvation rations dehydration hard labor deadly disease and torture far from the machinations of General Douglas MacArthur The Normans bring to the story remarkable feats of reportage and literary empathy Their protagonist Ben Steele is a figure out of Hemingway a young cowboy turned sketch artist from Montana who joined the army to see the world Juxtaposed against Steele s story and the sobering tale of the Death March and its aftermath is the story of a number of Japanese soldiers     *Bataan Uncensored* E. B. Miller,2018-08 After three months in a last ditch defense of Bataan over sixty thousand American and Filipino soldiers were captured What happened next would scar survivors for the rest of their lives On 9th April 1942 the prisoners were rounded up and forced to begin marching This was the beginning of the infamous Bataan Death March They were subject to cruel beatings and torture were not provided with adequate food or water and were forced to witness summary executions along the dreadful march that went on for over sixty miles Those who survived with deep physical and psychological trauma Yet Colonel E B Miller refused to allow the lives his fallen comrades to be forgotten So even though he risked his own life he kept notes of what happened Humiliated by defeat he obtained affidavits from men who were there smuggled his history in the making past Jap sentries hid the notes in Jap prison camps remembered and recovered them when victory came Bataan Uncensored is the result of these remarkable notes that he made through the course of the war It is the memoir not of a professional soldier but instead of a citizen soldier who as a member of the National Guard was a commander of the 194th Tank Battalion This book begins with how Miller as a veteran from Mexican Border Campaign and World War One came to be involved in the Second World War along with his fellow citizen soldiers of the National Guard It then covers the withdrawals into Bataan and how they became an integral part in that heroic siege against the overpowering Japanese hordes But the book becomes especially vivid when Miller goes on to describe how he and his men gasped for strength on the Death March how they elbowed death away in the confines of the hell ships and how their sense of defeat fought with their American pride through the starvation and abuse of Jap prison camps This book is essential reading for anyone interested in this tragic moment in American history and for anyone who wishes to discover how these remarkable men managed to survive and overcome the seemingly insurmountable odds that faced them Colonel E B Miller had served in the Mexican Border Campaign and the First World War prior to becoming a commanding officer of the 194th Tank Battalion He was held at Camp O Donnell and Cabanatuan POW Camps in the Philippines before being sent to Japan In Japan he was held at Tanagawa Zentsuji and Rokuroshi POW Camps He was liberated in September 1945 His book *Bataan Uncensored* was first published in 1949 and he passed away in 1959     [Give Us this Day](#) Sidney Stewart,1957 An account of the Bataan Death March by an American Army enlisted man who was held captive by the Japanese in the Philippines     **Bataan** Eugene P. Boyt,2004 Like many other young American men during the

depression era 1930s Gene Boyt entered Franklin D Roosevelt s Civilian Conservation Corps Later after receiving an ROTC commission in the Army Engineers and a bachelor s degree in mechanical engineering from the Missouri School of Mines Boyt joined the Allied forces in the Pacific Theater While building runways and infrastructure in the Philippines in 1941 Boyt enjoyed the regal life of an American officer stationed in a tropical paradise but not for long When the United States surrendered the Philippines to Japan in April 1942 Boyt became a prisoner of war suffering unthinkable deprivation and brutality at the hands of the ruthless Japanese guards One of the last accounts to come from a Bataan survivor Boyt s story details the infamous Bataan Death March and his subsequent forty two months in Japanese internment camps In this fast paced narrative Boyt s voice conveys the quiet courage of the generation of men who fought and won history s greatest armed conflict

**General Wainwright's Story** Jonathan Mayhew Wainwright,1970 **Silence of a Soldier** William J. Duggan,Smith Merrill,2003 The fight for the Philippines was over At the time of surrender hunger exhaustion and disease was rampant among POWs Bub Merrill was forced to work in factories in Manchuria Three years later he found his way home to Algonac Michigan This is his story

**General Wainwright's Story** Jonathan Mayhew Wainwright,1949 **We Remember Bataan and Corregidor** Mariano Villarín,1990 The marshals of Napoleon I constituted what is probably the most brilliant array of military genius the world has ever seen All Europe was prostrate before them Any book which sheds light upon their personalities and accomplishments is a genuine contribution to French history Boston Transcript Thoroughly documented a work of really immense scholarship this book is also the treatise of an experienced and seasoned military man Independent Phipps criticism of strategy and tactics is always intelligent and to the point so that he contributes something new to the campaigns with which he deals even though his main interest in them is with the careers of the future marshals Times London Literary Supplement

**Parade of the Dead** John Reed Bumgarner,1995 The grisly procession of dead had grown alarmingly men who had endured the terrible ordeal of Bataan who were 10 000 miles from home and who then died in the most miserable conditions For me as a doctor the most distressing thought was that they could have been saved almost without exception by proper diet and medical care Imprisoned by the Japanese in 1942 Lieutenant John Bumgarner U S Army Medical Corps attempted to care for the survivors of the Bataan Death March A lack of medical supplies coupled with poor diet and unsanitary living conditions made the task virtually impossible Dr Bumgarner was imprisoned until the Japanese surrender in 1945 all the while attending to his fellow prisoners of war who often had little chance of survival His powerful story is a strong reminder of the brutality of war and captivity

**Faith of a Soldier** William T. Garner,2008 Many books have been written about the Bataan Death March but few have described the deep faith of the heroic men who experienced the horrors of that march Among the survivors was Clarence Bramley Tall and lean he enlisted during World War II with dreams of flying P 40 fighter planes But the reality of war often dashes young men s dreams While waiting for the results of his pilot exams his squadron was ordered to the Philippines where he serviced the very planes he was hoping to fly Then in the spring

of 1942 the islands fell to the Japanese During the years that followed Bramley experienced the brutal Death March incarceration in the Philippines and Taiwan nightmarish weeks on a Japanese Hell Ship and forced labor in a prison camp at Kosaka Japan He suffered disease and brutality and witnessed the agonizing deaths of close friends and comrades but he never lost faith in God     Back to Bataan Rick Peterson,2001 This horrific narrative of the Bataan Death March is dedicated to all United States of America military personnel who served in World War II on Bataan and Corregidor and endured the rigors of captivity inflicted on us by the soldiers of the Japanese Imperial Army     Of Rice and Men (Annotated) Bob Reynolds,2019-05-23 At the fall of Bataan on April 9 1942 over sixty thousand American and Filipino troops were rounded up by the Japanese and forced to march 65 miles from Mariveles on the southern end of the Bataan Peninsula to San Fernando Pampanga in Central Luzon Anyone showing a slight weakness to walk was instantly bayoneted in the back Many marchers committed suicide by leaping from bridges Others were shot for attempting to eat or drink anything Estimates of the number of total deaths from the march range from 5 000 to 8 000 Thousands more later died from malnutrition and disease in the abject conditions of the Japanese POW camps One of the fortunate survivors was Sergeant Bob Reynolds who penned his combat memoir Of Rice and Men in 1947 With a cool philosophical perspective he details the harrowing experience from bitterly defending Bataan on starvation rations through the many atrocities of the March and finally his miraculous survival in Cabanatuan POW Camp and later in Manila s Bilibid Prison     **Bataan** James H.
