**Sweden in the seventeenth century** Paul Douglas Lockhart,2004     [Sweden in the Seventeenth Century](#) Paul Lockhart,2017-03-14 The history of Sweden in the seventeenth century is perhaps one of the most remarkable political success stories of early modern Europe Little more than a century after achieving independence from Denmark Sweden an impoverished and sparsely populated state had defeated all of its most fearsome enemies and was ranked amongst the great powers of Europe In this book which incorporates the latest research on the subject Paul Douglas Lockhart Surveys the political diplomatic economic social and cultural history of the country from the beginnings of its career as an empire to its decline at the end of the seventeenth century Examines the mechanisms that helped Sweden to achieve the status of a great power and the reasons for its eventual downfall Emphasises the interplay between social structure constitutional

development and military necessity Clear and well written Lockhart s text is essential reading for all those with an interest in the fascinating history of early modern Sweden     *Revisiting New Netherland* Joyce D. Goodfriend,2005-08-01 The essays in this book offer a rich sampling of current scholarship on New Netherland and Dutch colonization in North America The Introduction explains why the Dutch moment in American history has been overlooked or trivialized and calls attention to signs of the emergence of a new narrative of American beginnings that gives due weight to the imprint of Dutch settlement in America The essays are organized around six major themes New Netherland and Historical Memory New Netherland in the Atlantic World The Political Economy of New Netherland New Netherland s Directors A New Look Family Research as a key to New Netherland s History and Writing the History of New Netherland in the Twenty first Century This volume holds great interest for historians of early America and of Dutch colonization Contributors include Willem Frijhoff Charles Th Gehring Joyce D Goodfriend Firth Haring Fabend Jaap Jacobs Wim Klooster Harry Macy Jr Dennis J Maika Simon Middleton Bertrand Van Ruymbeke Annette Stott David William Voorhees and Richard Waldron

**Conquest and the Law in Swedish Livonia (ca. 1630-1710)** Heikki Pihlajamäki,2017-01-05 In Conquest and the Law in Swedish Livonia ca 1630 1710 Heikki Pihlajam

ki offers an exciting account of the law in seventeenth century Livonia conquered by Sweden The volume demonstrates how the differences in legal cultures affected the Livonian judiciary and legal procedure in the region     [Touring Swedish America](#) Alan H. Winquist,2009-06-26 With over 1 3 million Swedish Americans in residence it is no surprise that the United States has a wealth of landmarks that pay homage to the Swedish people and culture Touring Swedish America details the locations histories and stories behind more than 1 000 such places including the charming Holy Trinity Church built in stone and brick in Wilmington Delaware the rustic S M Swenson log cabin in Austin Texas the water tower in the form of a rosemaled coffee cup in Stanton Iowa and actress Ann Margaret s handprints outside the Mann Chinese Theater in West Hollywood California Published in conjunction with the Swedish Council of America Touring Swedish America is the comprehensive guide to historic towns homes and churches erected during the mass Swedish migration beginning in 1840s

as well as the art architecture schools hospitals businesses museums and gardens still in use today Organized by state and featuring easy to use appendixes that outline sites on the National Register of Historic Places this comprehensive guide with handy regional maps is the perfect tool for all travelers on the hunt for slices of their Swedish past *The Swedish Traveler in America, 17th and 18th Centuries* Roy Walfred Swanson,1927 [Learning Law and Travelling Europe: Study Journeys and the Developing Swedish Legal Profession, c. 1630-1800](#) Marianne Vasara-Aaltonen,2020-05-18 In Learning Law and Travelling Europe Marianne Vasara Aaltonen offers an exciting account of the study journeys of Swedish lawyers in the early modern period Based on archival sources and biographical information the study delves into the backgrounds of the law students their travels through Europe and their future careers In seventeenth century Sweden the state building process was at its height and trained officials were desperately needed for the administration and judiciary The book shows convincingly that the studies abroad of future lawyers were intimately linked to this process whereas in the eighteenth century study journeys became less important By examining the development of the Swedish early modern legal profession the book also represents an important contribution to comparative legal history *New Sweden in America* Carol E. Hoffecker,1995 Although it was the first permanent European settlement in the Delaware River valley the New Sweden colony has long been ignored by American colonial historians To right this omission and to mark the 350th anniversary of the founding of the New Sweden colony the University of Delaware sponsored an international conference New Sweden in America Scandinavian Pioneers and Their Legacy in March of 1988 This event brought together twenty eight scholars from Sweden Finland and the United States who represented several fields including history anthropology and geography The conference papers collected in New Sweden in America present the first look at the New Sweden colony since the advent of modern historical methods The essays in this volume examine the economic and social lives of a political entity as well as its political structures The topics discussed include an examination of the European environment from which the colonial venture came the colonists relations with the Native Americans and the Swedish and Finnish settlers adaptation to colonial life The essays depict seventeenth century Sweden as it emerged from its traditional ways and isolation into the dynamic world of Western European international politics and trade and the failed attempts to bring European mercantilist policies to New Sweden The fascinating stories of the trade between the Swedish and Dutch settlers and the Susquehannock and Lenni Lenape Indians the development of pidgin languages to facilitate the trade the devout Lutheran religious observations of the colonists and the introduction of Finnish construction methods especially the log cabin are all described in this volume To encourage further scholarship in this field the contributors identify topics for future study and delineate where original colonial documents may be found on both sides of the Atlantic BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Legacies of Literacy** Harvey J.
