What did the students do well during the simulation?	People during the 1500's attended church in the most beautiful buildings in the towns, however discounted, mean (less) beautiful buildings were also built.
Students worked in and found ways and not in a capsule of nothing with other given activities, beautiful church.	People began to change in price and would want others very much.
Students did not have their voices and then responded in a language that the priest did not understand, (the teacher (priest) did not understand this).	Students had no understanding of the church.
The teacher (priest) had no means funds than before to reward the students but none of the students in the class had any or more showed in result.	Students had no understanding of the church.
The teacher called around the classroom and used to get students to sing responses for themselves and their relatives.	In the 1500's students either understood or did not understand.

William J Wilson The Christian School in Secular Society BOOK SUMMARY In this world according to Scripture there are two distinct kingdoms One is the Kingdom of Grace made up of the people of the light and the other is the Kingdom of Nature made up of the people of this world The Kingdom of Grace is an eternal kingdom with interests that transcend this world The Kingdom of Nature focuses only on this world Schools are powerful instruments that can be used to reflect the interests of either kingdom In a society that has become secularized there is an urgent need for Christians to increase their efforts to promote establish and maintain schools that will accurately reflect who they are and where they are going The Kingdom of Nature has taken full advantage of schools to promote humanistic naturalism The Kingdom of Grace needs to take equal advantage of schools to promote a biblical understanding of life within the context of the highest spiritual and academic standards *Student Activities in World Studies for Christian Schools* Thomas Luttmann,2000 [Family Involvement in Faith-Based Schools](#) Diana Hiatt-Michael,2017-06-19 This book explores the surge in parental interest in faith based schooling providing insights into school choice support for faith based education and increasing parent involvement It covers promising practices in Catholic Jewish Christian and Muslim schools in the U S and internationally

The Ministry of the Christian School Guidance Counselor James W. Deuink,1985 The purpose of this book is to help the reader recognize the importance of pupil personnel services in the Christian school and to provide assistance to those who

will initiate such a program in their particular schools Pupil personnel services present a special problem to Christian school administrators Even the smallest school needs all the services we discuss in this volume However when the budget is limited many school officials are reluctant to hire an additional staff member Recognizing the problem a small school faces in providing proper personnel we have made a number of suggestions of ways to combine administrative duties with the traditional role of the counselor We have divided the various duties of the guidance counselor into three categories administrative counseling and clerical Not all of the counselor s activities lend themselves to these divisions but we have followed this approach in the interest of all readers including those who may not be familiar with the guidance aspect of education The first three chapters provide the foundation for the remainder of the book These three chapters along with Chapter 14 are addressed to the administrator and others responsible for the overall supervision of the school Chapters 4 through 13 provide instruction for the one responsible for carrying out the counselor s duties It is our conviction that the ministry of the local Christian school can be greatly enhanced by a well planned program of pupil personnel services We trust that you will give serious consideration to the ideas presented here Preface The Sunday-school World ,1885 **The Life and Letters of Benjamin Jowett, M.
